Pontarddulais Primary School

School PDG Statement

The Pupil Deprivation Grant (PDG) is allocated to schools with pupils who come from low-income families and are currently known to be eligible for free school meals (e-FSM) and pupils who have been looked after continuously for more than six months (LAC).

Schools are expected to make the best use of this funding to implement sustainable strategies that will quickly bring about changes for learners eligible for free school meals or who are LAC.

As a school we have agreed the following three steps:

1. to identify the target group of pupils, its characteristics and needs
2. to plan interventions which make the most effective use of resources
3. to monitor and evaluate the impact of resources

In 2024-25, Pontarddulais Primary School was provided with a PDG allocation of £136,962. This includes :

eFSM £102,350 EY £33,350
