Getting to know Reading Eggs

What the Child Sees

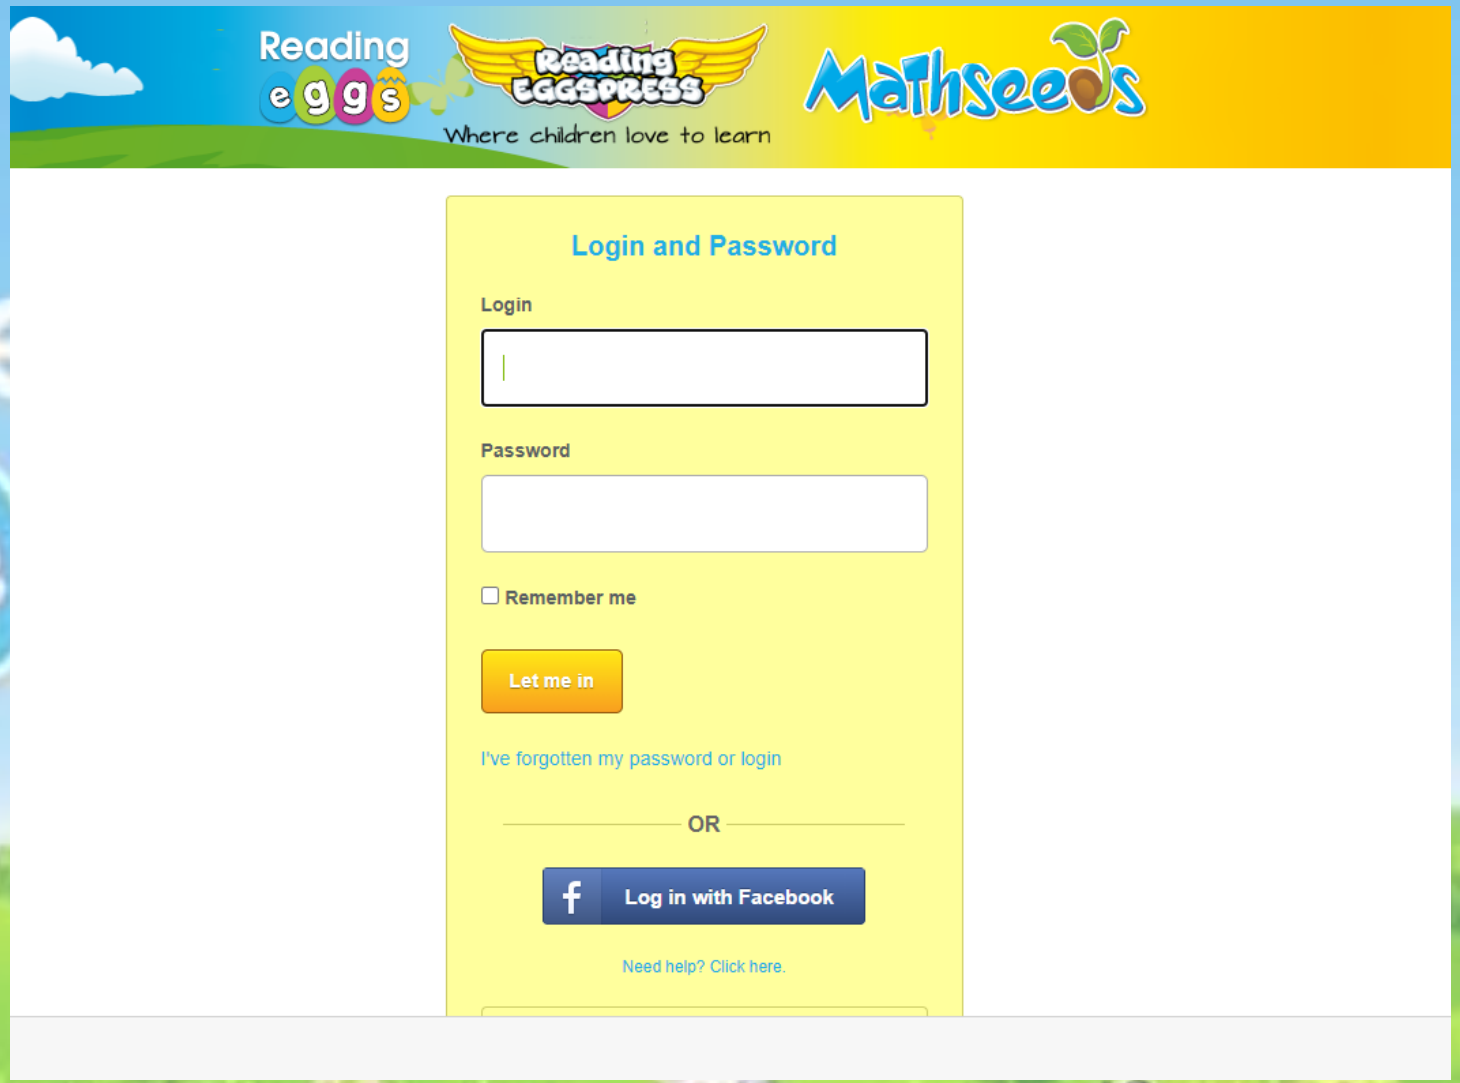

Logging In

Google search Reading Eggs or use the following link:

https://readingeggs.co.uk

Once you are on the correct page, click on Login on the top right corner and then fill in your details in the following screen.

App Page

Once logged in, you are on the app page. The Apps are assigned based on your child's skills, although Fast Phonics is open to all.

Reading Eggs Homepage

This is the Reading Eggs Homepage. From here everything can be accessed. Some items will become available after progressing through the lessons.

Starting Out

When first starting, there is an option to start from the beginning or take a Placement Test. It is advisable to take the test first for better usage. No adult help at all.

The Test

Listen to the audio and select the correct answer. Press repeat if you need to hear it again. Continue as far as you can until you get three incorrect answers. Once done, you will be sent to a specific level to start from.

Lessons

This is the lessons page. The avatar moves to each level, click on it to start. Once all levels are cleared, you move onto the next Map. Click on Home anytime to return to the Homepage.

Lessons pt2

Watch the introduction videos and follow all instructions without adult help. Click on the side arrow to see what all levels are, see how many eggs have been earned and be able to view set programmes and return Home. Once you have completed an activity eggs are earned.

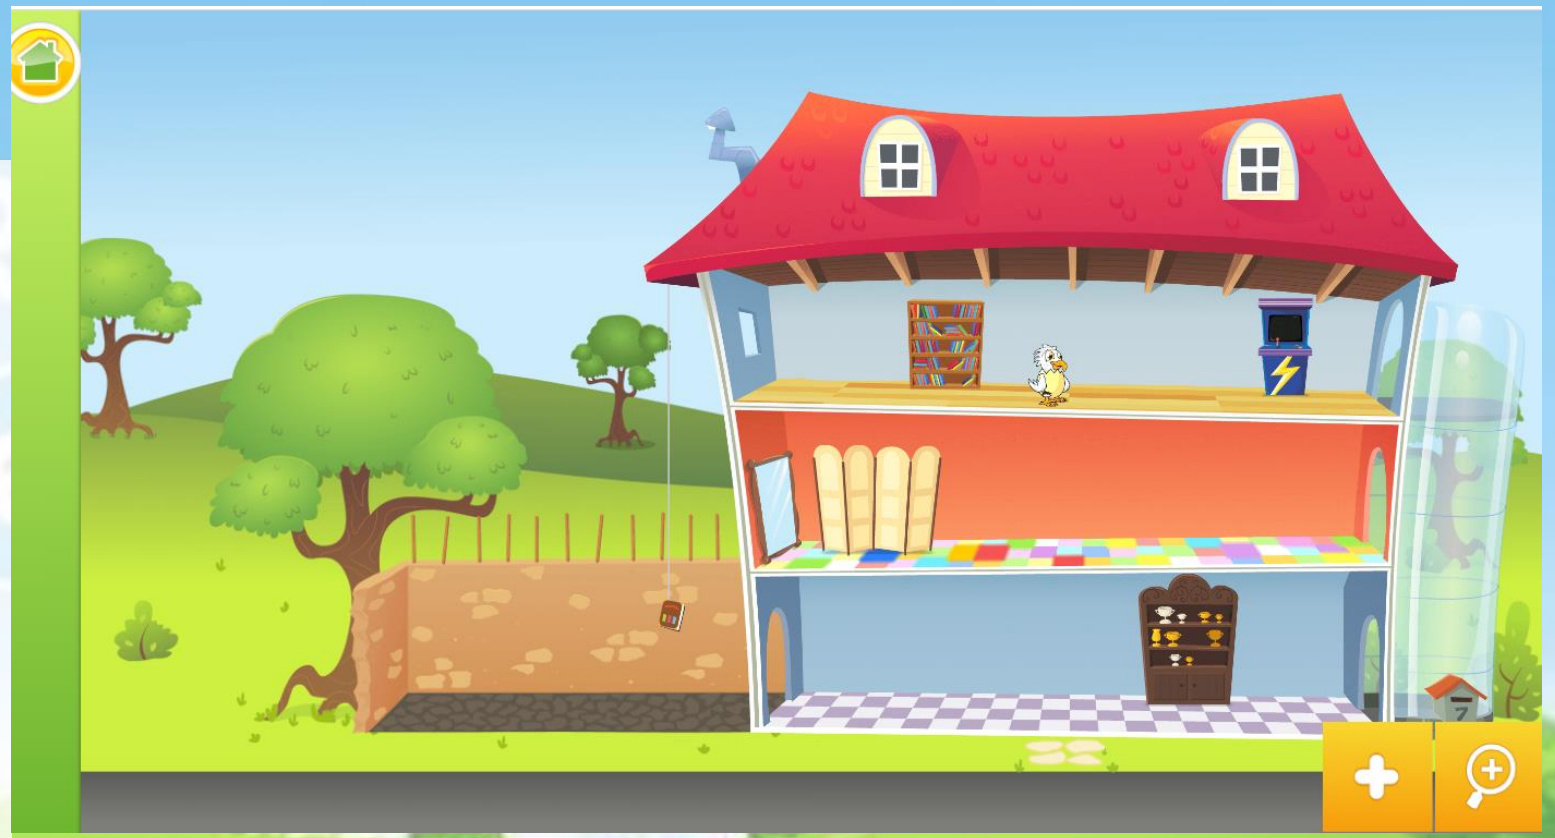

Pupil's Programme

This shows where the pupil is at and what has been done. This can also be accessed from the Homepage.

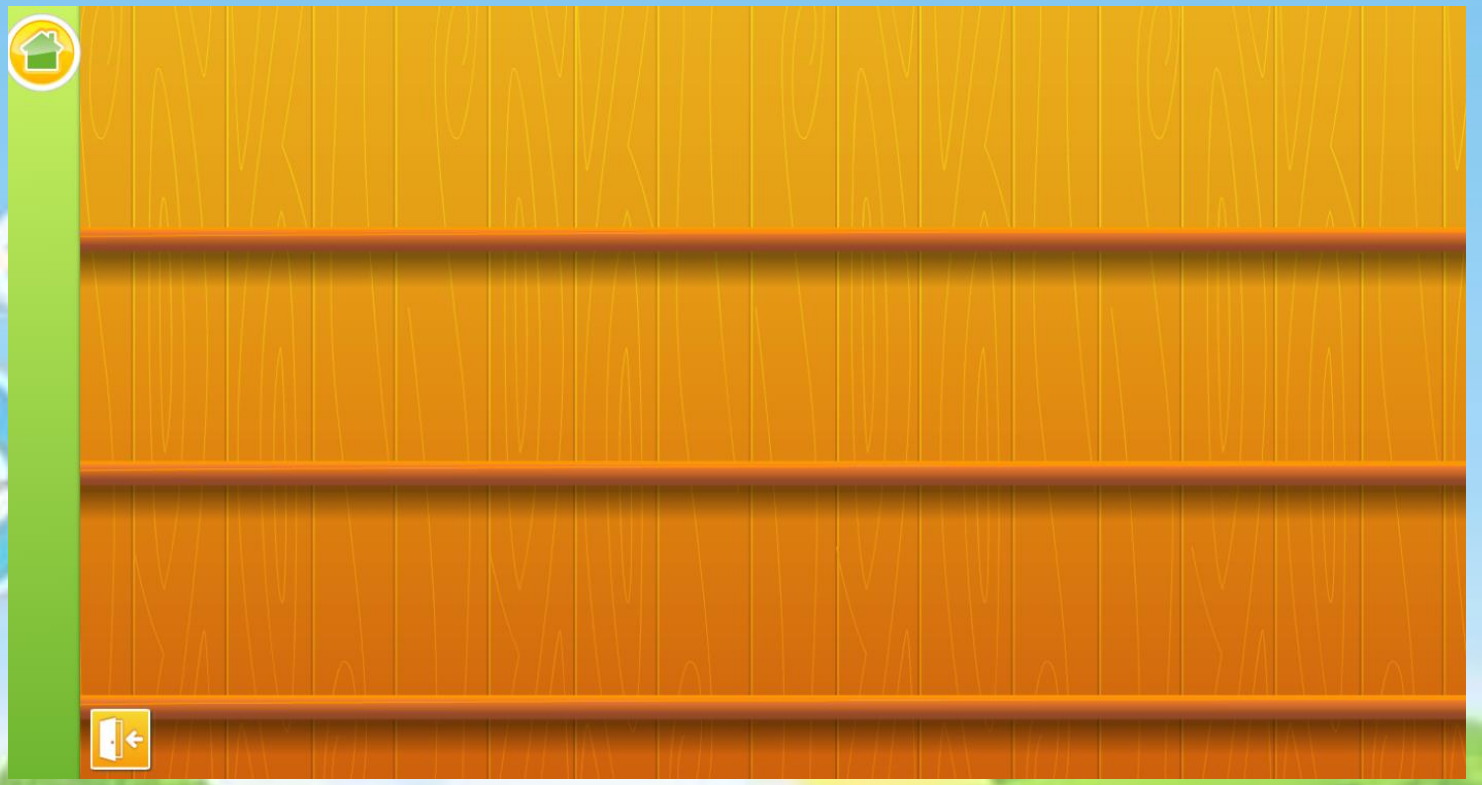

House

From the homepage you can access a house that you can personalise. Also by clicking on different areas such as the bookshelf, arcade game, blinds, trophy cabinet and hanging book you can access other features that you can get to from the Homepage.

Bookshelf

The Bookshelf, also from the Homepage, will have all books you have read and can reread at any time.

Arcade

The Arcade is filled with educational games. Remember, the games cost eggs, so make sure you have earned enough.

Wardrobe

Here you can personalise the avatar. The Orange selection is free whilst the Green you must buy using the eggs earned.

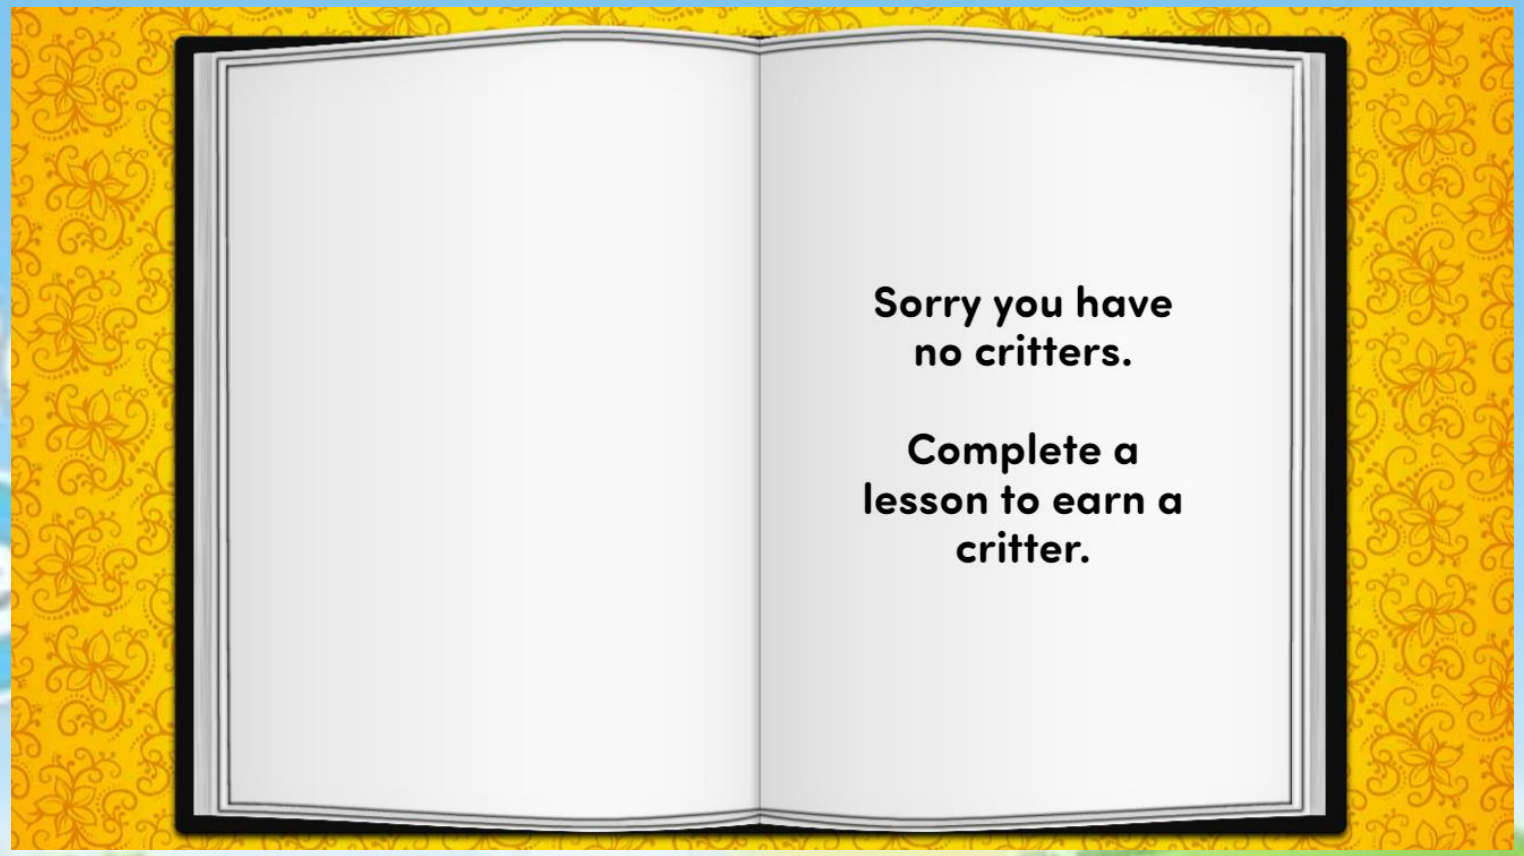

Awards

All awards and certificates are saved here. Certificates can be downloaded and printed as PDFs.

Critters

The hanging book shows all Critters you have collected from completing the lessons.

Puzzles

Fun activities to promote learning can be accessed from the homepage.

The Plaza

The Plaza, which changes monthly depending on theme, is where you can access all different collectables for personalisation. Select an area and the avatar walks to it sending you to the different shop.

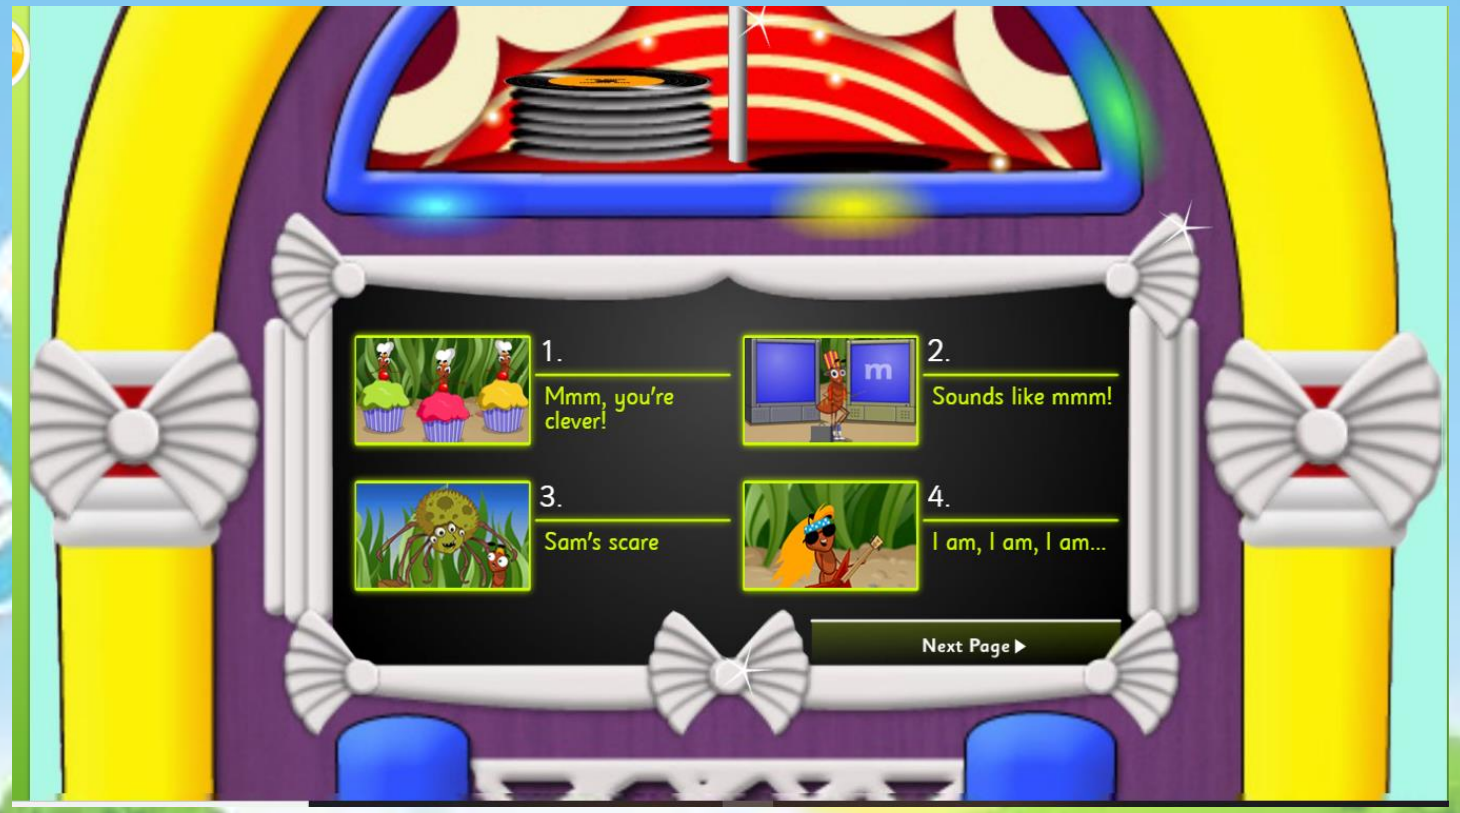

Play

In the Play section, you can access a variety of further learning activities by clicking on different areas of the playroom.

Songs

Here you will find a jukebox full of the songs used in the lessons to help you learn the different language skills.

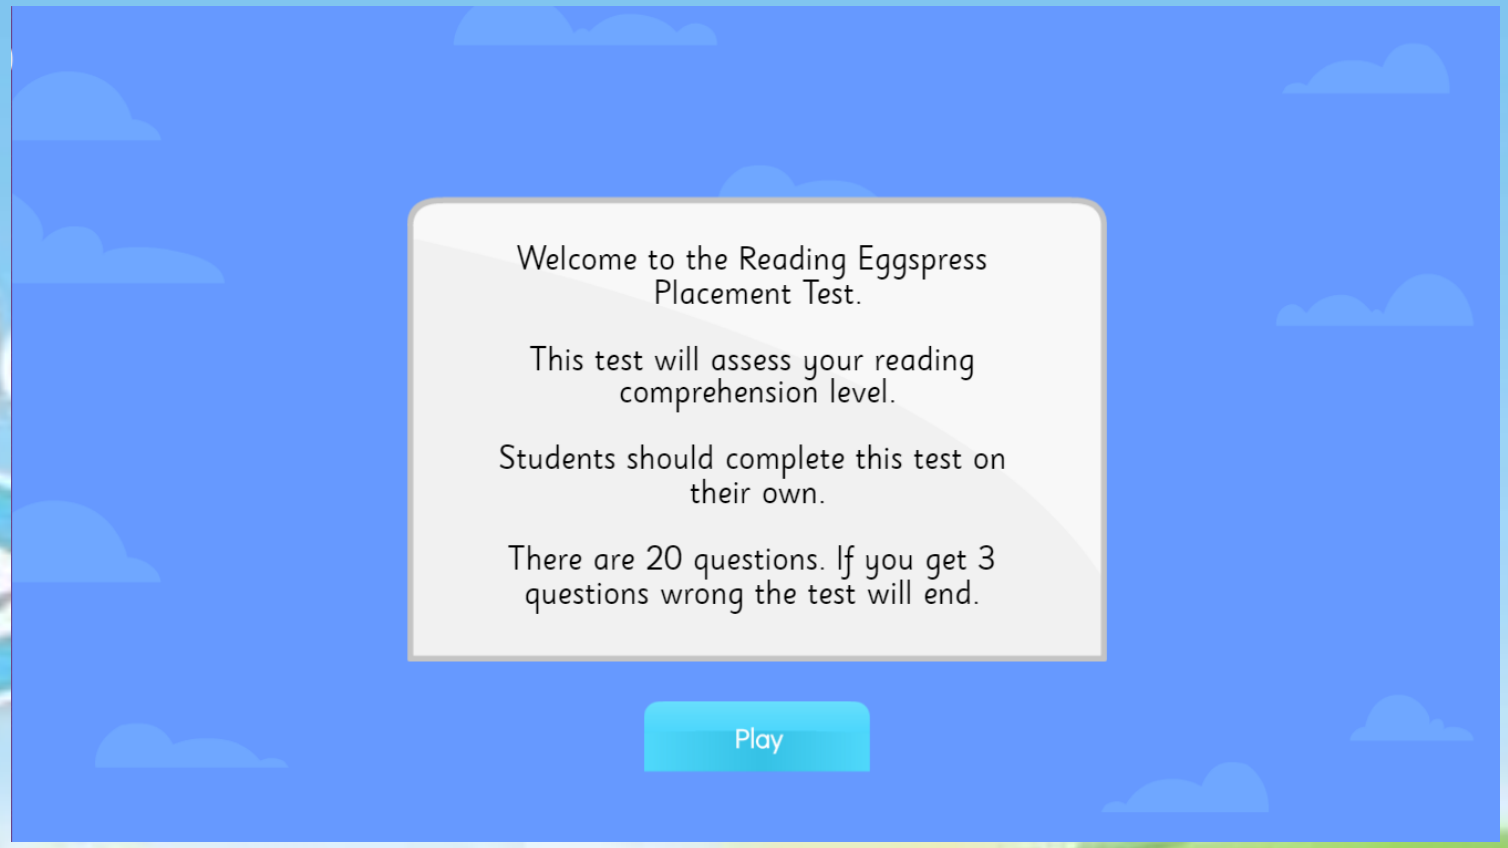

Reading Eggspress Homepage

This is the Reading Eggspress Homepage. From here everything can be accessed. It is set up much like Reading Eggs, but aimed at older children. All areas are accessible here.

Starting Out

As with Reading Eggs, when first starting, you will begin with a Placement Test, which is focused on Reading Skills. Keep going until all 20 questions are answered, or you have three incorrect answers.

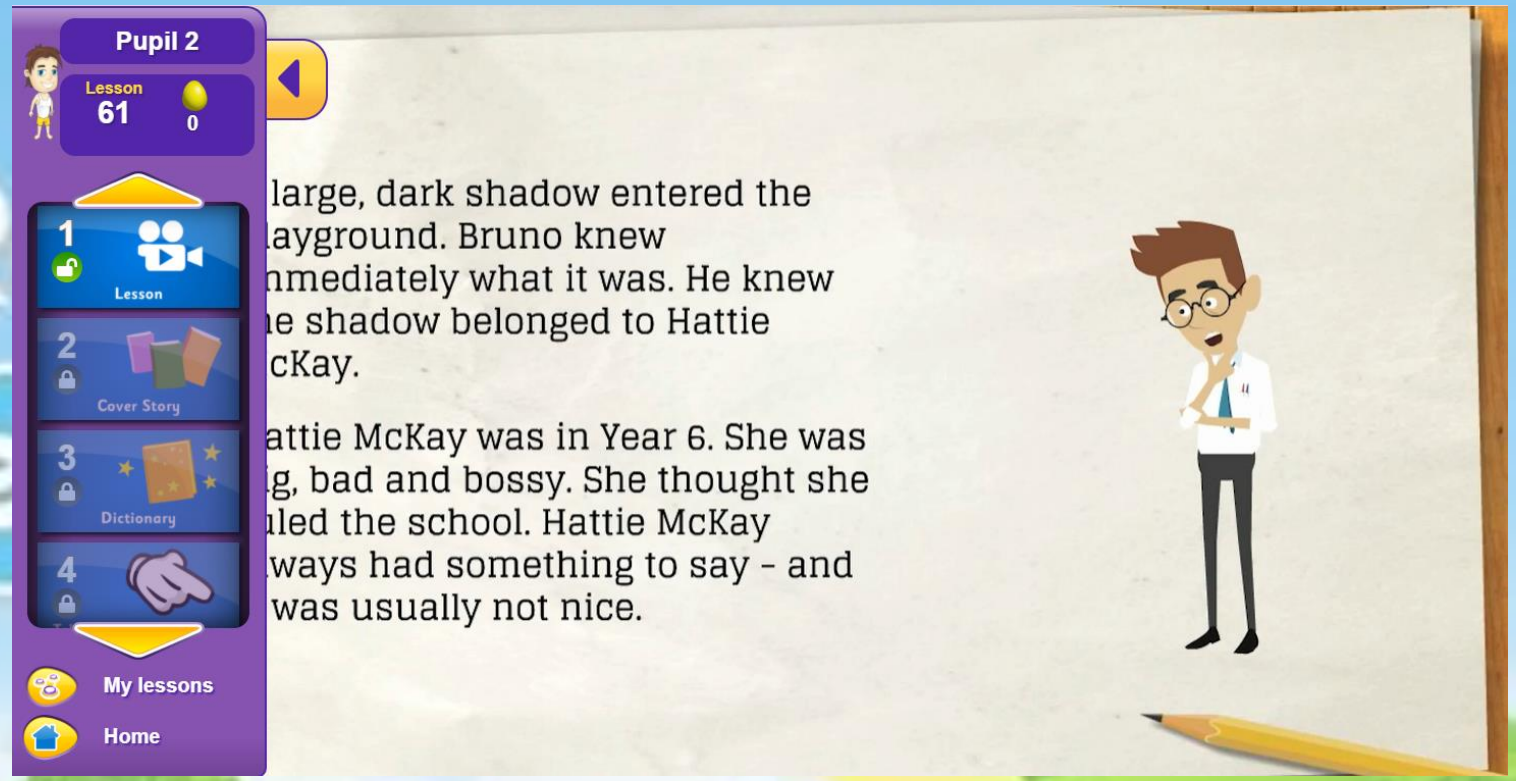

Lessons

This is the lessons page. The avatar moves to each level, click on it to start. Once all levels are cleared, you move onto the next Map. Click on Home anytime to return to the Homepage. As these maps are a continuation, you will be here once you have completed Map 12 of Reading Eggs.

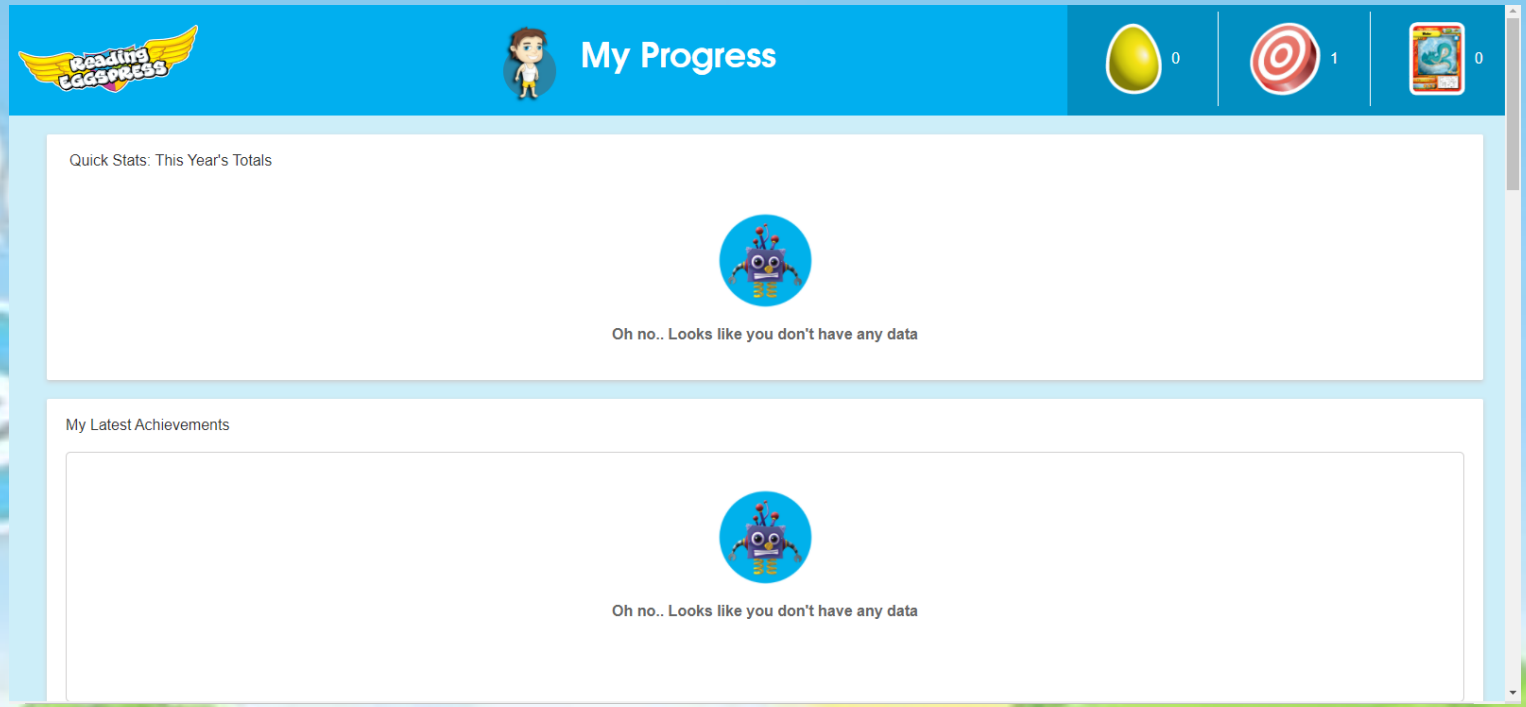

Lessons pt2

Watch the introduction videos and follow all instructions without adult help. Click on the side arrow to see what all levels are, see how many eggs have been earned and be able to view set programmes and return Home. Once you have completed an activity eggs are earned.

Pupil's Programme

This shows where the pupil is at and what has been done. This can also be accessed from the Homepage.

English Skills

Accessible from the Homepage. Here you can access extra activities to help develop all you language skills to further help your lessons.

The Stadium

Fun interactive challenges where you can view your progress with different skills. Do a few practices, pit yourself against anyone else in your class, against others in the school on Reading Eggspress, or even anyone in the whole world on Reading Eggspress.

The Library

Access all books from the library. Click on different areas for different genres. All books will be saved to your Homepage. You can also access the Library from the App page when you first log in.

Targets

View targets based on where you are at the present time. Your targets will change depending on what you are doing.

The Mall

Use eggs to buy different items from the mall to personalise everything about your account.

Apartment

Your home where you can personalise all rooms, collect trading cards, buy pets, change the look of your avatar, and also access trophies and other items, also accessible from the Homepage.

Trophy Room

View everything you are awarded here and print out PDFs of any certificates earned.

Arcade

The Arcade is filled with educational games. Remember, the games cost eggs, so make sure you have earned enough.

Fast Phonics

A new addition to the Reading Eggs programme that all users can access to further phonics skills. When you first open there is an explanation video, which you can re-watch by clicking on the menu button at the top. When you first open, you are on Peak 1. Open the chest to reveal your cave, and then enter the cave to begin.

Lessons

Each Peak has different lessons. Click on each square to activate it and follow and watch all instructions, videos and activities.

Rewards

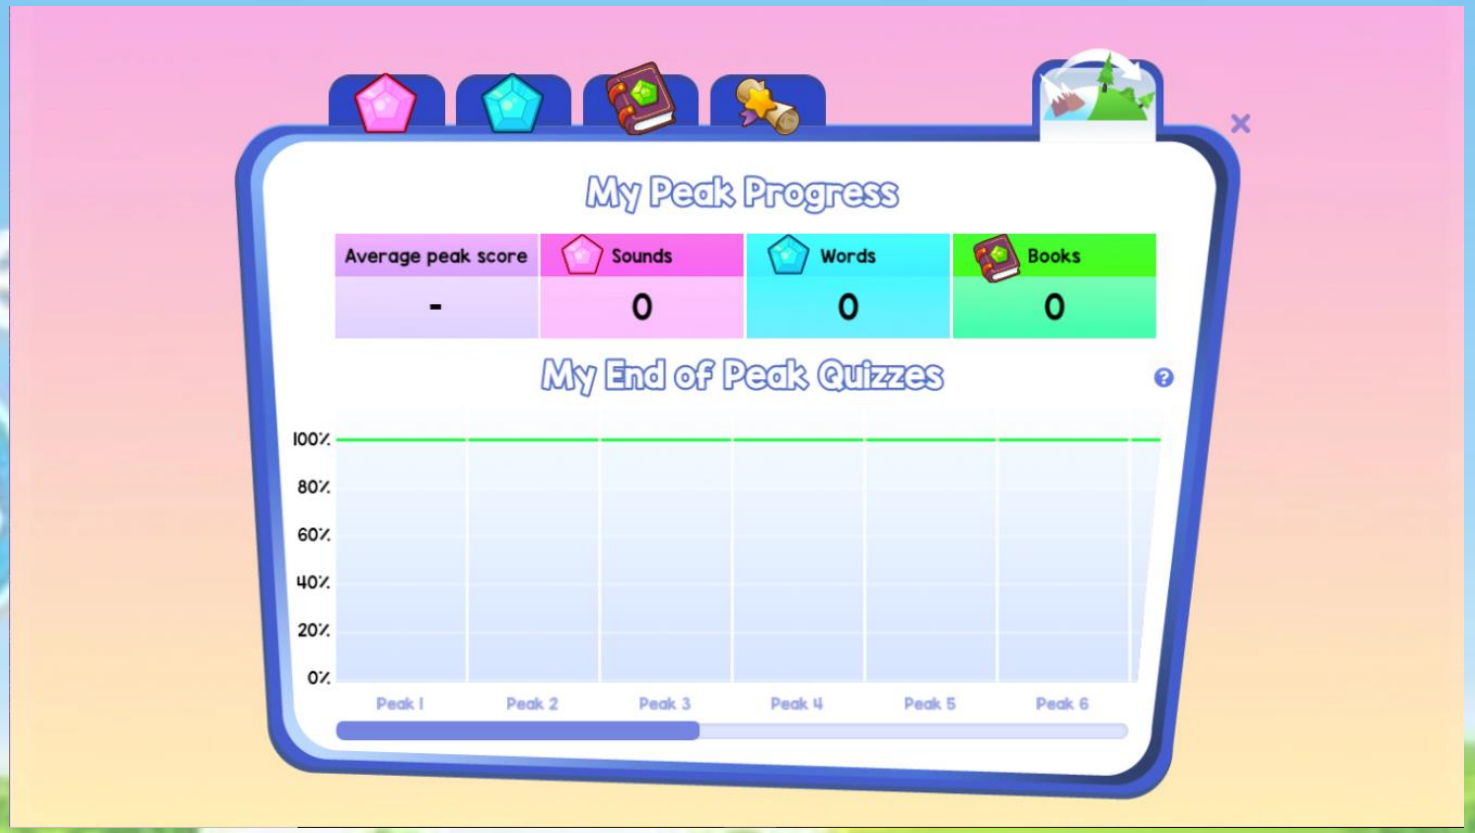

As you go through you earn various gems, which you can view by clicking the gems on the top of the screen:

- Pink – Sounds
- Blue – Words
- Green – Books
- Yellow – Certificate after a quiz

Peak Progression

Click on the Peaks to see how you are progressing.

Yetis

You can also earn Yeti footprints, which you can use to buy different Yetis.

What the Parent Sees

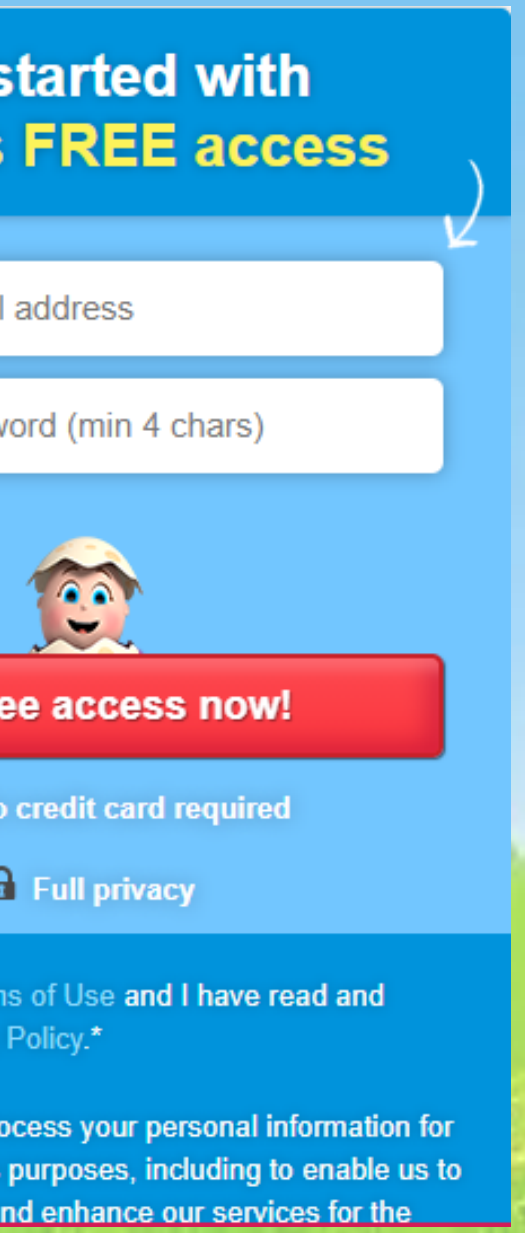

Signing up

Parents can create an account to view their child's progress and help at home. When you come across the website, select Free Trial for Parents.

Signing up pt 2

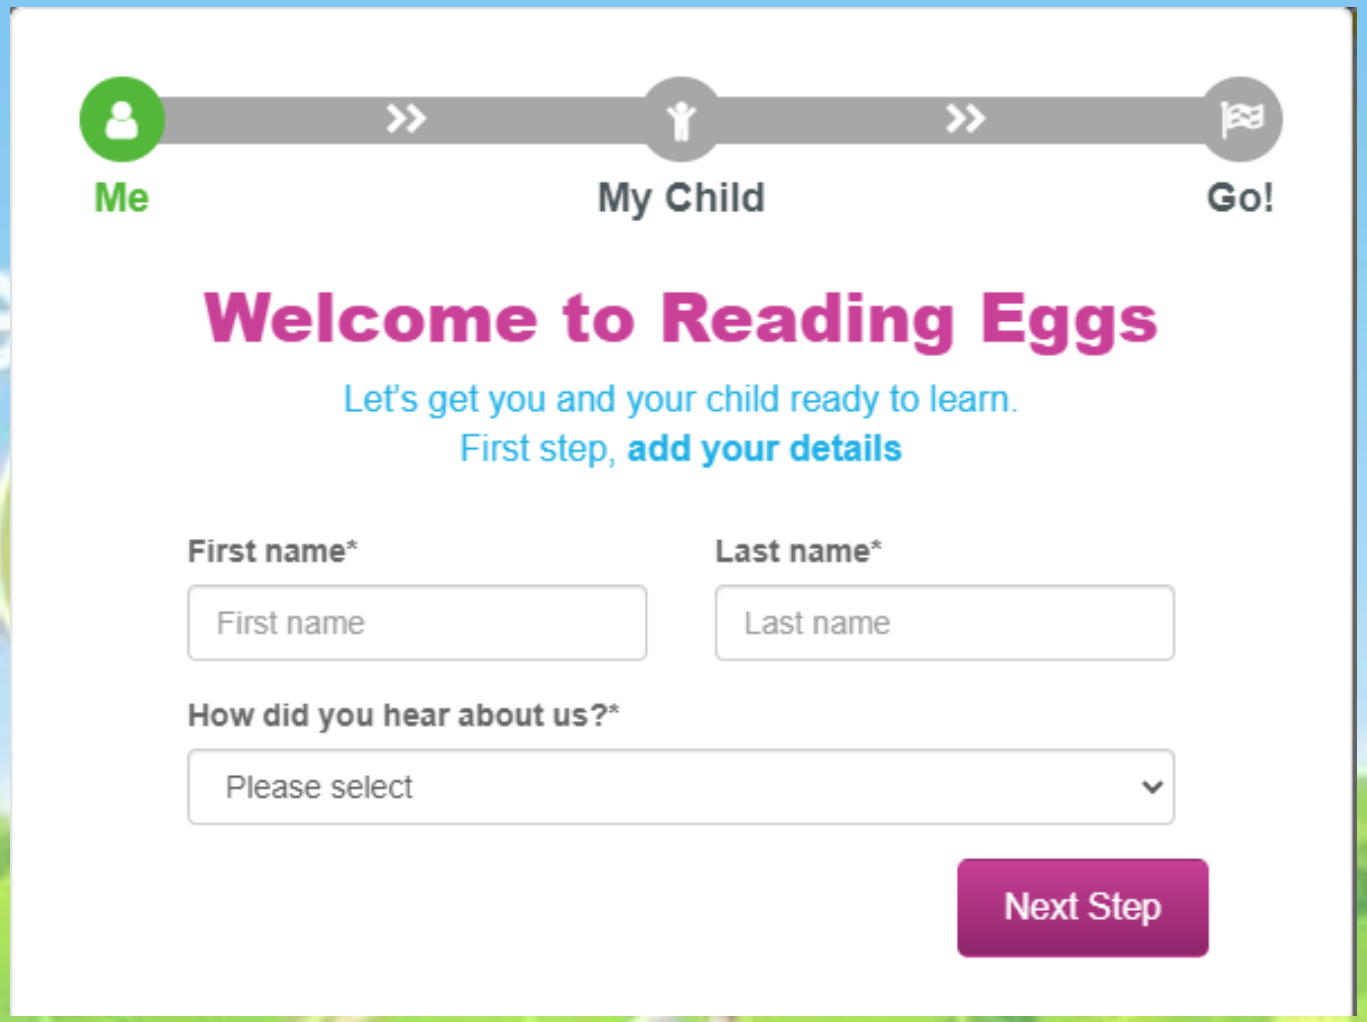

Fill in all your details and select Get Free Access Now!

Signing up pt 3

Follow all prompts, but when you get to section 2, My Child, tick on Link to an existing School Account. Once this is done, enter the details the school gave you and you are part of the School Subscription.

(This is only valid as long as your child is part of the School Reading Eggs List)

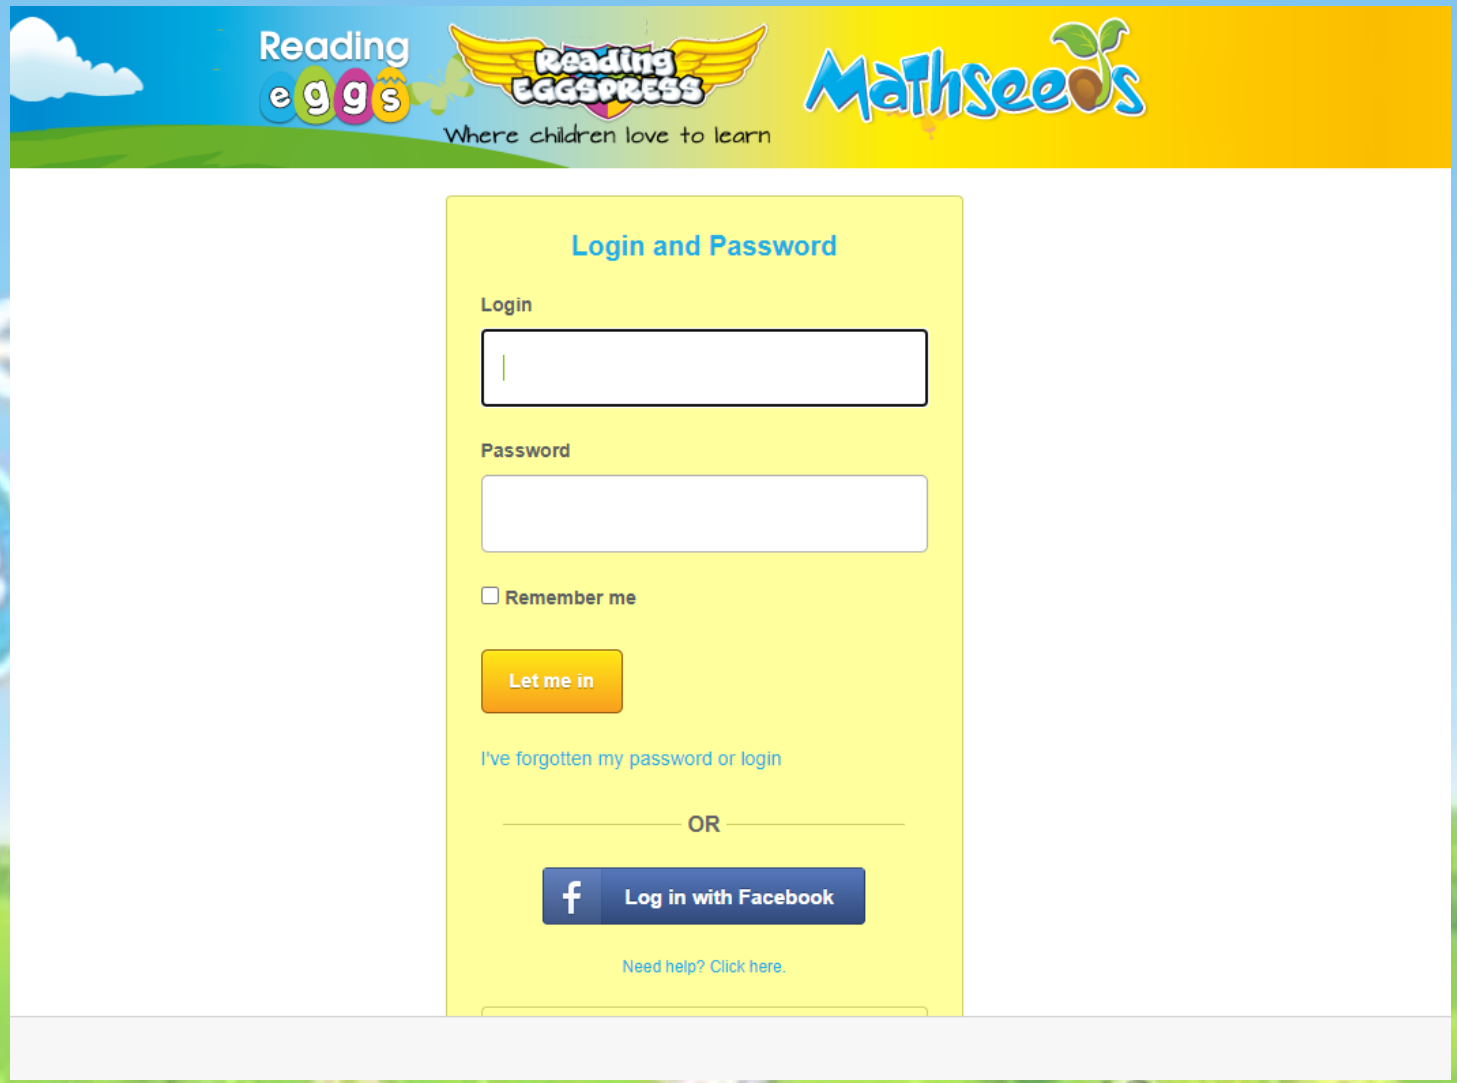

Logging In

Once logged in, you can log in as normal.

Google search Reading Eggs or use the following link:

https://readingeggs.co.uk

Once you are on the correct page, click on Login on the top right corner and then fill in your details in the following screen.

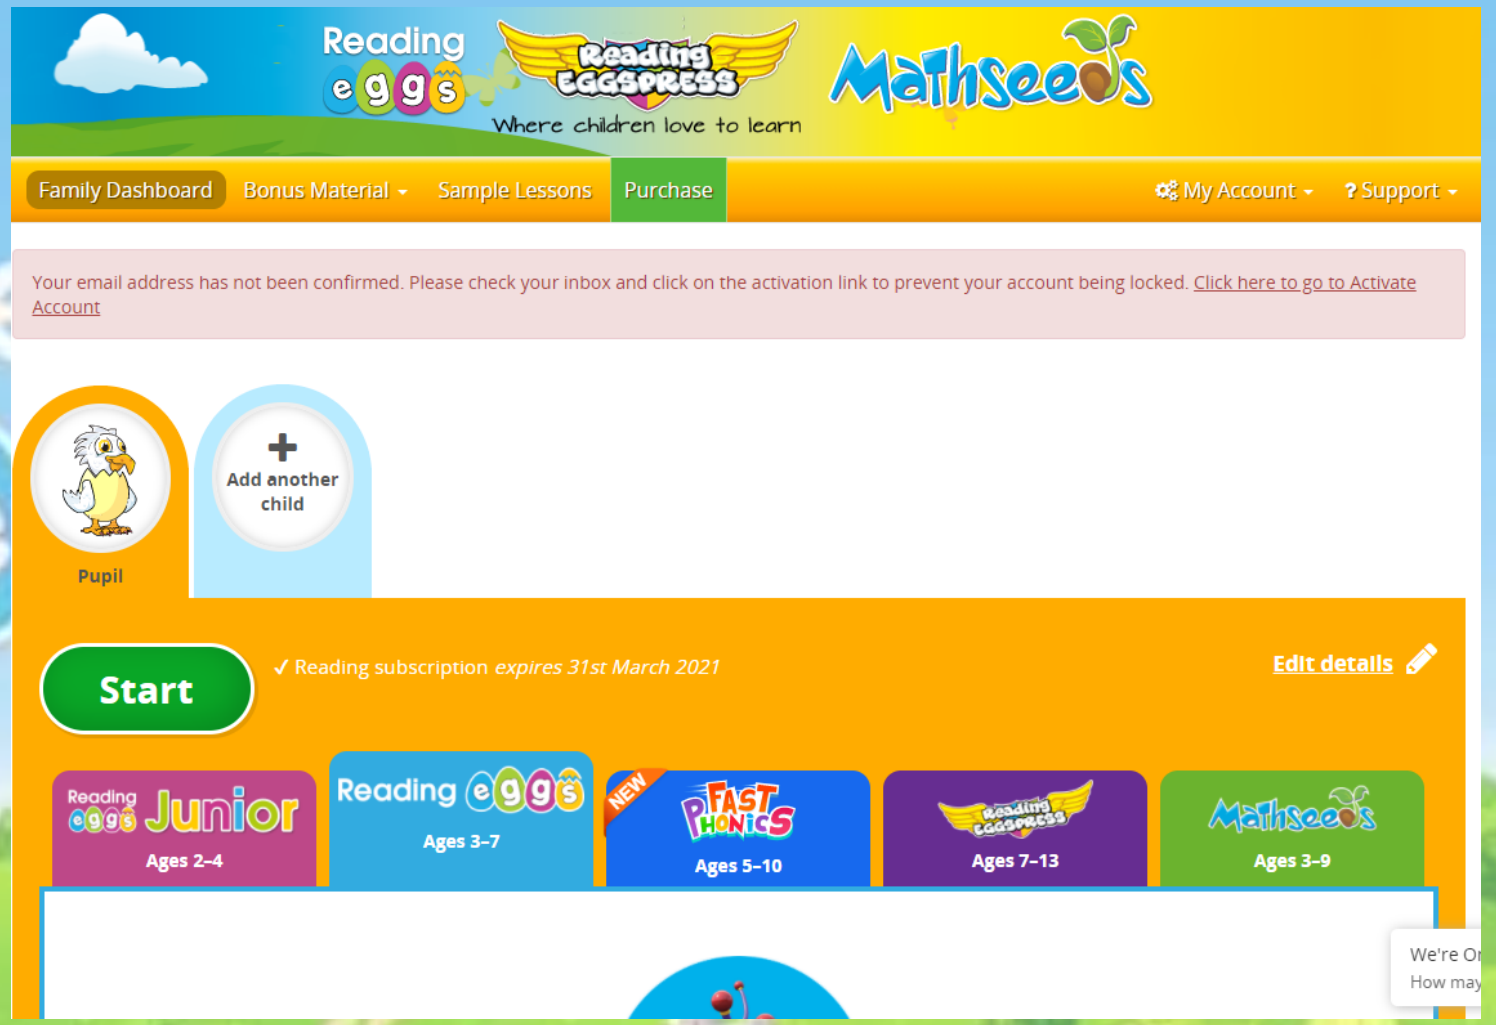

Homepage

This is your homepage. You can add another child if you wish.

(N.B. if your other children are not on the school list, the school subscription won't cover it and you will need your own.)

Look at Bonus material to find various aids in helping your child.

You can view their progress using the tabs and enter their account by pressing start

Editing Details

You can edit the child's details. However, please discuss this with the school first. At the top you can also edit your account details.
