

Pontarddulais Primary School

Home Learning

Use your Hwb account and associated programs to complete your work.

If you use Office 365 remember to share your work with your teacher. When using Just2Easy [J2e] remember to save your work for your teacher to see in your, 'My File Area.'

Year Group: Year 3 Date: 27.04.2020

AOLE	Challenge
Language Literacy and Communication 	 Write a poem about a volcano. Can you make it rhyme? Include rhyming words to describe how it might sound or look when it explodes.  Write a poem about a volcano. Can you make it rhyme? Include rhyming words and adjectives to describe how it might sound or look when it explodes.  Write a poem about a volcano. Can you make it rhyme? Include rhyming words, adjectives and similes to describe how it might sound or look when it explodes. You could record yourself reading your poem and upload it to Hwb!
Health and Wellbeing 	 Follow Joe Wicks work out on You tube or make up your own exercises to include star jumps, squats etc. Notice and write a sentence about how you feel before the work out and how you are feeling after the work out. Write at least 2 sentences about why exercise is important for us.

AOLE

Expressive Arts

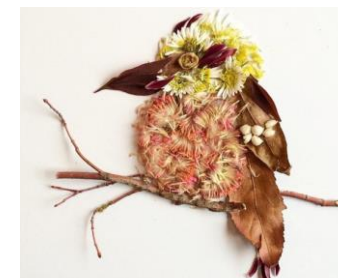

Challenge

Use natural objects from outside and create a picture or an image to express something you have seen or heard recently. It could be a volcano, a river, a bird, or an insect.

You could use twigs, leaves, stones or flower petals.

Take a photo and upload it to Hwb.

Science and Technology

Use Lego, Knex, newspaper or recycling to create a building that would withstand an earthquake. Think about the structure. Does it need a large base? How tall will it be? Can you measure it in m or cm?

After you have built it, hold the base and shake it for 30 seconds as if there was an earthquake. What happens? Why?

Take some photos or a video and share them on Hwb.

(You could have a competition with someone else in your house!)

AOLE

Mathematics and Numeracy

Humanities

Challenge

Can you use your knowledge of 2,3,4,5 and 10 times tables to create your own arrays?

You could use stones, pegs, counters, smarties or counters!

Can you write your own word problems e.g.
The gardener planted 4 rows of 4 seeds. How many seeds did she plant?

$$4 \times 4 = 16$$

As this lock down time is challenging for us all not being able to get out, help bring some cheer to others.

Write a letter and draw a picture to the residents of a local care home, such as Barchester, Llys-y-Tywysog, Clos Pengelli, Grovesend, Swansea, SA4 4JW.

They will really enjoy reading your letters and looking at your drawings.

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.
