Use your Hwb account and associated programs to complete your work.

If you use Office 365 remember to share your work with your teacher. When using Just2Easy [J2e] remember to save your work for your teacher to see in your, 'My File Area.'

Year Group: Year 3 Date: 01.06.2020 Theme: Global Gourmet

AOLE	Challenge
Language Literacy and Communication 	Using your imagination write a story about the picture below which is called, 'The magic biscuits'. Use these questions to help you. • Who are they? Are they pets? • Where are they? • What has happened to the dogs? • Why has this happened? • Who is that man? • What problem might they have? • How will they solve the problem? Remember to use interesting sentence starters, powerful adjectives, question marks, capital letters and full stops. 
Health and Wellbeing 	Can you design something you can eat using healthy ingredients? Can you then go and make it? Take a picture and upload it to j2e so we can see your fantastic creations! Here are some examples! Rainbow Pizza  The seasons  Fruity flowers

Expressive Arts

Challenge

Carl Warner is an artist who creates landscapes made out of Food.

Here are some of his creations. What do you notice and what do you wonder about these pictures?

Can you draw and design your own picture using only food? Can you give it a title and label it?

Science and Technology

Not only are fruit and vegetables tasty and healthy, but they have been used for many years by Native Americans to dye fabrics and other materials.

Can you make a fabric dye from a strongly coloured fruit or vegetable? (Follow the link below to a video that will give you the instructions).

Try using carrot, beetroot, tea, or strawberry.
Try using an old white t-shirt or sock into the coloured dye.
What happens to it?

Tip – Before you start you could make a prediction. For example, you might predict that darker vegetables will make stronger dyes and that lighter vegetables would make weaker dyes. After the experiment you could record whether your predictions were correct!

Challenge

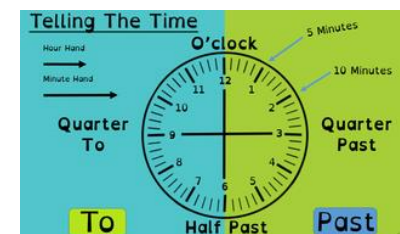

Telling the time is an important and key life skill!

You need to know what time to get up in the morning? What time is lunch? or how many minutes you have left to play?

Choose a Star challenge found on the website and use the Top Marks website clock to help you answer the questions. <https://www.topmarks.co.uk/time/teaching-clock>

Before you start watch the video clips below:
<https://www.bbc.co.uk/bitesize/topics/zhk82hv/articles/zcmdwxs>
<https://www.youtube.com/watch?v=Pht7dTIM0VA>

During last term we learnt about Fairtrade. Click on the link or QR code to watch this video on you tube which shows the journey of a banana from the trees in Puerto Rico to the supermarket.

- Can you locate Puerto Rico on a map?
- Has anything surprised you after watching the video?
- Can you now record the journey? You can use the story board on the website under challenges or create an information poster to highlight the importance of buying Fairtrade showing the journey a banana takes to get from the banana plantation in Puerto Rico to the supermarket.
