Carol cucumber!
Bertie beetroot!
Penelope Pepper!

Science and Technology

Movie making

Can you create a comic strip with food characters – you could use your fruit friends from the expressive arts task.

Can you then create a fruit movie? In this example the fruit friends make a gift for their friend. <https://www.youtube.com/watch?v=ejuJRfAquQ4>

You could use stop motion, I movie, or video yourself moving your fruits around.

We look forward to seeing what you create!

Humanities

Have a look at the sheet 'What's Important to me?' pictures found under challenges on the school website.

1. Cut out the statements and put them into order of importance or list them.
2. Explain why you have chosen these top three.
3. Explain why you have put this one at the bottom.
4. Ask what life would be like if you did not have shelter/ water/ food

Send a Cow is a **Christian charity** founded in 1988 by a group of UK farmers, who wanted to help families suffering from the aftermath of war in Africa. They sent livestock like cows in the hope that this would help African farmers to overcome the crippling poverty and malnutrition being experienced in their communities. Read Ferehiwot's story below and think about what has improved for Ferehiwot's family since they started working with Send a Cow?

Finally, play the game 'Cow drive' found under the challenges on the website. You will only need a dice and a pencil each! Have fun!
