Pontarddulais Primary Nursery Class

Our theme

This term, we will be following the theme, Create and Imagine, along with the other classes in school. We will be using the stories The Train Ride and We're going on a bear hunt, and will be learning through play. These will include sensory activities both inside and outside, so please remember to bring a coat every day. We're looking forward to being very creative and imaginative, getting messy and having lots of fun learning in lots of new and different ways.

- PE is now on a **Friday**, please can the children come dressed ready for PE wearing suitable clothing and trainers.
- We use our outdoor area everyday, so please can the children wear suitable clothing for the weather, as we learn and complete exciting tasks outside too.
- We will also be completing our Monster Phonics sessions, attention and listening tasks and fa la la songs along side our theme work.
