Humanities	

Listen to the story “Busy People – Doctors” located in the Files section of our Teams page. Think about the things Doctor Miranda uses and the jobs she does.

Draw a picture of something that a Doctor would use to help people. Think about which jobs need which pieces of equipment (for example, a stethoscope is used to hear the heart).

Practise being a Doctor/Nurse to a toy you have at home maybe a teddy or a doll. You could give them a plaster or bandage, check their eyes and ears or listen to their chest with a stethoscope. Take a picture and share it with us via Hwb or Teams.

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.

Remember – How you complete your challenges is your choice. If you would like to show us your work via Hwb we would love to see it. We are missing you all and can’t wait to see you when we return to school.

Stay Safe, love from Mr Wilson, Mrs Foley and Mrs Powell 😊
