Craft Instructions

# Handprint Firefighters

## Supplies

- Selection of paints
- Paint brush
- Felt tip pens
- White paper or card

1 Print a handprint into the middle of the paper with the fingers spread out. Then leave to dry.

2 Now make some faces for the firefighters. To do this place a thumb print onto the top of each finger, then leave to dry.

3 Using a little finger, add a finger print on the top of each face to form the firefighter's hats. You may want use a thin brush to add a rim to the hat. Then leave to dry.

4 Now give the firefighters a hose! To do this, paint a line along the middle of each finger to give the impression that the firefighters are holding the hose.

5 Use some blue paint to paint some water droplets coming out of the end of the hose.

6 Add detail to the fire hats using yellow or black felt tip pen.

7 Using a black felt tip pen, draw features onto the firefighter's faces.
