Science and Technology

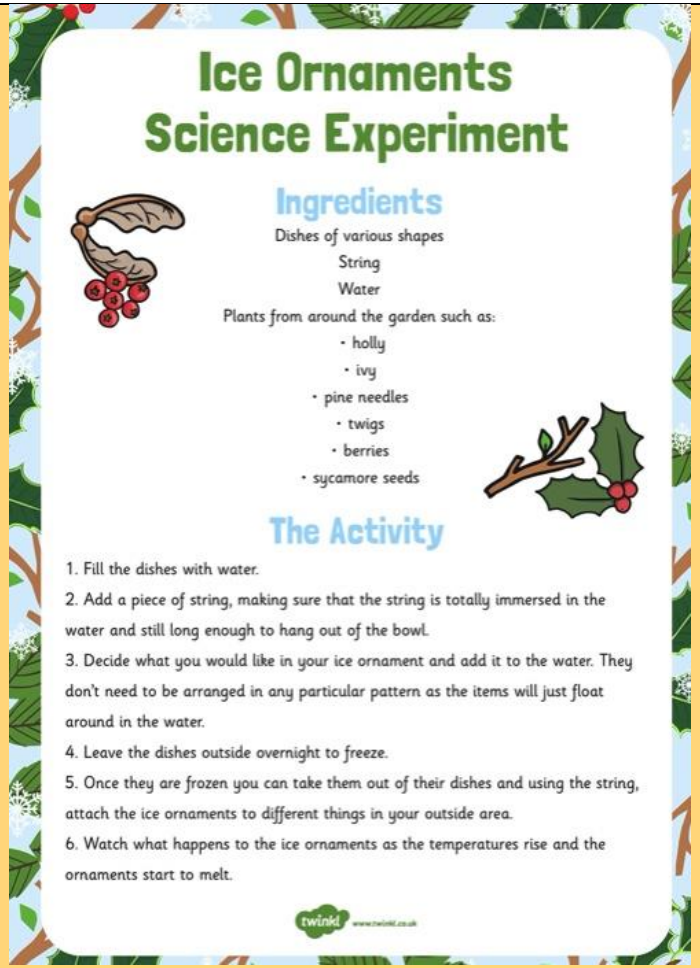

ICT

- Practise logging on to Hwb independently
- Practise opening JIT independently
- Practise saving work in their file
- Practise retrieving their work

Create a Christmas Pictogram using Jit Pictogram. Can you choose Christmas pictures to fill in the Pictogram and ask your family to vote on their favourite 3?

Discuss with your family which was the most and least popular!

Science

Ice Ornaments Science Experiment

Ingredients

Dishes of various shapes
String
Water
Plants from around the garden such as:

- holly
- ivy
- pine needles
- twigs
- berries
- sycamore seeds

The Activity

1. Fill the dishes with water.
2. Add a piece of string, making sure that the string is totally immersed in the water and still long enough to hang out of the bowl.
3. Decide what you would like in your ice ornament and add it to the water. They don't need to be arranged in any particular pattern as the items will just float around in the water.
4. Leave the dishes outside overnight to freeze.
5. Once they are frozen you can take them out of their dishes and using the string, attach the ice ornaments to different things in your outside area.
6. Watch what happens to the ice ornaments as the temperatures rise and the ornaments start to melt.

Discuss the words warmer/colder when making your ornament and don't forget to show us what you've done on Hwb!

Mathematics and Numeracy	

Christmas Decoration Measuring

Find different lengths of tinsel or Christmas decorations to compare. Order them from longest to shortest.

Find different Christmas decorations and measure their length using non-standard units of measure e.g. How many Lego pieces long is the tinsel?

Don’t forget that there are games allocated on Bug Club, that you can use to practise all of the skills we have learnt this term!

Humanities

Go on Teams and listen to the Nativity story. Talk about the story with a member of your family.

Log onto Hwb and go to J2 Launch. Click on Jit 5 and choose paint. Draw a picture of your favourite part of the Nativity story.

Log onto Hwb and go to J2 Launch. Click on Jit 5 and choose mix. Draw a picture and write a sentence of your favourite part of the Nativity.

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.

Remember – How you complete your challenges is your choice. If you would like to show us

your work via Hwb we would love to see it. We are missing you all and can’t wait to see you when we return to school.

Stay Safe, love from Mr Wilson, Mrs Foley and Mrs Powell 😊
