Imagine you are a reporter and you are reporting on the effects of lockdown on your family and your community. You could explain: Why we have the lockdown, when did it start? What has changed? How has it affected you and your family? How has it affected your community?</p> <p>When you are writing your Newspaper report remember to use the features which you have previously learnt. Use the 5 W's - who, what, where, when and when.</p> <p>Your report needs to have:</p> <ul style="list-style-type: none"> <li>Name of Newspaper</li> <li>Headline</li> <li>Introduction with 5 W's</li> <li>Include facts</li> <li>Main events in chronological order</li> <li>Illustrations</li> <li>Written in the past tense</li> <li>Final paragraph which explains or asks what might happen next</li> </ul> <p>You can record your work on paper or on the computer. We are looking forward to reading them!</p> </div> |

This is Mr. Ffit.</p> <p>Mr. Ffit is a Welsh learner and he is committed to improving the health and well-being of everyone in Wales and beyond, through exercise, education and the use of the Welsh language.</p> <p>There are a few sessions you can join in with and also improve your Welsh at the same time.</p> <p><a href="#">5 Munud i Symud - Diwrnodau yr Wythnos</a></p> <p><a href="#">Mr Ffit Pum Munud i Symud - Lliwiau</a></p> <p><a href="#">Mr Ffit Pum Munud i Symud</a></p> </div>                                                                                                                                                                                                                                                                                                                                                                |

## AOLE

## Challenge

### Expressive Arts

#### Pointillism

Once you have chosen your Welsh Wonder of the World, we would now like you to create a picture of it. You can use any medium, and can draw it in any style. Maybe you could try something different like Pointillism.

Pointillism is a technique of painting in which small, distinct dots of colour are applied in patterns to form an image. Georges Seurat and Paul Signac developed the technique in 1886.

Watch the following video to help you with your pictures. There are many more available on Youtube.

<https://youtu.be/D4hqKPX6d68>

### Science and Technology

#### Making a 3D Model

Using what you have in the house, could you make a model of A Wonder of Wales. You can choose any landmark, Castle or Mountain which you have researched. You can make your model out of any materials which you have in the house. It can be any size. So Year 5, get creative and remember to post your finished models on Twitter and add a picture of it in your J2e file.

## Challenge

### All square

On each of these grids, the counters lie at the four corners of a square.

What is the greatest number of counters you can place on this grid without four of them lying at the corners of a square?

77

**Teaching objectives**  
Solve a problem by organising information.  
Visualise 2-D shapes.

### Sleigh ride

In Snow Town, 3 rows of 4 igloos are linked by 17 sleigh paths. Each path is 10 metres long.

When Santa visits, he likes to go along each path at least once. His route can start and end at any igloo. How long is the shortest route Santa can take?

What if there are 4 rows of 5 igloos?

78

**Teaching objectives**  
Solve a problem by organising information.  
Visualise 2-D shapes.

### Wonders of Wales

Last week you created a fact file on one of The Wonders of the World. This week it's your turn to have a think as to what should be a Wonder of the World in Wales. Could it be a favourite Castle of yours, A National Park, A Mountain, or even a famous landmark like the Principality Stadium or The Wales Millennium Centre. It's totally up to you, you choose which ever one you like.

Once you have chosen we would like you to do some research and then create a leaflet to try and encourage tourism to Wales. If you decide to you can add more than one Wonder to your leaflet. The more the better!

Remember to use titles and sub titles, pictures, maps and persuasive language to try and tempt as many people to Wales as possible. The tourist industry desperately needs tourists to visit so show them what we have to offer.

**Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.**
