

Pontarddulais Primary School

Home Learning

Use your Hwb account and associated programs to complete your work.

If you use Office 365 remember to share your work with your teacher. When using Just2Easy [J2e] remember to save your work for your teacher to see in your my file area.

Year Group: Year 5 Date: 29.06.2020

AOLE	Challenge
Language Literacy and Communication 	★ <u>One Page Profile:</u> We would like you to complete a One-Page Profile. A profile all about you! This will help you when moving up to your new teacher so that they get to know you. Begin, by having a discussion with family members asking them what they admire about you. Next, have a think what the most important things to you are, in your life. Then, reflect on areas in which you can improve or develop in the near future and how this can be done. Before proceeding to the task, look at the example provided. Finally, continue to the task, where you will have to fill in each text box. Try to give at least 4 / 5 examples under each heading and remember to give reasons for each one. You must complete the work in Welsh and on the worksheet provided. Enjoy! ★★ ★★★ http://www.sheffkids.co.uk/adultssite/pages/onepageprofiletemplates.html
Health and Wellbeing 	★★★ <u>Positivity Jar:</u> Create a positivity jar. This jar can be filled with positive words or comments. You can use a jam jar, a coffee jar or a large glass storage jar and feel free to decorate the jar however you wish. The purpose of the jar is to use it whenever you are feeling sad and need to remember all the positive things about yourself. A family member may have some positive comments that they want to write about you as well - these can all be added to your jar. Once you have completed your jar, try to look at it every day for a few minutes and remember how special and positive you are as a person. The words in this jar can also be used in the One Page Profile LLC Challenge.

Expressive Arts

Challenge

Urban Art

Write your own name in graffiti lettering Click on the link to watch the tutorial.

<https://youtu.be/EsJh7yiofD0>

Tweet your graffiti names to @PontarddulaisSc so we can see your artwork.

Getting creative with Classical music and Art.

Science and Technology

Temperature:

Use an ipad- Research the temperature in Pontarddulais for each day of the week *for the next two weeks.*

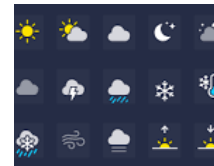

Record this information either in J2edata or to Office 365 in Excel.

Produce a graph of your data.

Write down 5 statements about your graph. Can you find any trends or patterns, why might this be?

Are there any anomalies (results that stand out/look strange)? Write which these are.

Why might they have happened?

Wimbledon Top Trumps / Database

Wimbledon 2020 was scheduled to be held from June 29th until the 11th of July this year. Using the internet, research a variety of tennis players and then create top trump cards for your favourite 10.

Remember to include their name, age, world ranking and the number of matches they have won / lost. You may complete the work and use J2Database on HWB to help you organise your data.

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.
