| <p><b>Language Literacy and Communication</b></p>  | <div>  <p><u><b>Instruction Text</b></u> Work your way through the LLC PowerPoint. There are a series of activities challenges for you to complete.</p> <p><u><b>Challenge 1:</b></u><br/>Decide on your level of challenge and complete the work on Imperative Verbs.</p> <p><u><b>Challenge 2: How to Care for a Mouskin</b></u><br/>Read the instructions on how to care for a mouskin. Record yourself reading the text and add it to your LLC folder. What features of an instruction text can you spot? Number the features that you can find following the guide on page 14 and 15 of this powerpoint.</p> <p><u><b>Challenge 3:</b></u><br/>Write a recipe on how to make a cake of your choice. Think carefully about how you will set out your work.</p> </div> <div>   </div> |
| <p><b>Health and Wellbeing</b></p>               | <p><u><b>Mr. Ffit</b></u></p> <p>For your Health and Wellbeing activity this week we would like you to take a look at the following youtube videos. This is Mr. Ffit. Mr. Ffit is a Welsh learner and he is committed to improving the health and well-being of everyone in Wales and beyond, through exercise, education and the use of the Welsh language. There are a few sessions you can join in with, which will also help you improve your Welsh at the same time.</p> <p><a href="#">Mr Ffit Pum Munud i Symud</a><br/> <a href="#">5 Munud i Symud - Diwrnodau yr Wythnos</a><br/> <a href="#">Mr Ffit Pum Munud i Symud - Lliwiau</a></p> <p>Remember to take pictures or videos of yourself and upload them to J2e for us to see. Have fun!</p> <div>  </div>                                                                                                                                                                                 |

| <p><b>Mathematics and Numeracy</b></p>  | <p><u>Measure</u></p> <p>Work your way through the Mathematics and Numeracy PowerPoint to gain an understanding of reading scales and converting scales. There are a series of activities Challenges for you to complete.</p> <p><b>Challenge 1:</b> Work your way through the PowerPoint and complete the activities and read the different measurements on the scales. You can decide on your level of challenge.</p> <p><b>Challenge 2:</b> Decide on your level of challenge and convert the measurements into the given measures.</p> <p><b>Challenge 3:</b> We would like you to make some cupcakes or a cake of your choice. Use your skills to measure out the ingredients accurately before you bake. Remember to upload pictures to j2e. Have fun boys and girls.</p>                                                                                                                                                    |
| <p><b>Humanities</b></p>               | <p><u>Artists from Around the World</u></p> <p>This week again we are going to be carrying on with our project which we started before half term. You should have created your front cover Artists around the World, given information about the artists Vincent Van Gogh, Paul Klee and Monet. So this week we would like you to focus on a very famous Welsh artist called <b>Kyffin Williams</b>.</p> <p>As you have done previously try and include as much information as possible about him and where he is from. Add pictures of his most famous pieces of art. Give information about his childhood and the country where he is from.</p> <p>Remember to organise your work and present it in an interesting way. Change the design of your slides and maybe add animations and transitions.</p> <p>Could you also add any examples of art that you have created into the relevant section of the PowerPoint please.</p>  |

**Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.**
