Home Learning

Use your Hwb account and associated programs to complete your work.

If you use Office 365 remember to share your work with your teacher. When using Just2Easy [J2e] remember to save your work for your teacher to see in your my file area.

Year Group: Year 5

Date: 01.02.2021 – 05.02.2021

AOLE	Challenge
Language Literacy and Communication 	★ <u>Powerful Adjectives:</u> Work your way through the LLC PowerPoint to recognise and use powerful adjectives in writing. There are a series of activities Challenges for you to complete. <u>Challenge 1:</u> Work your way through the PowerPoint and complete the activities. ★★ <u>Challenge 2:</u> Decide on your level of challenge and complete the sentences using powerful adjectives. ★★★ <u>Challenge 3</u> Use powerful adjectives to write a paragraph describing one of these scenes.
Health and Wellbeing 	★★★★ <u>Mental Health Week 01.02.21-05.02.21</u> This week is 'Mental Health week' and the theme is 'Express yourself.' We would like you to express yourself and have a go at this creative challenge. For this Origami challenge, you will need a piece of paper. The challenge is to make a dog! Watch and follow these instructions: https://bit.ly/3ieWwFO We would like you to individualise your origami dogs, for example, by colouring it, making it from magazine paper, decorating it, making the tiniest dog or the biggest dog you can. Even though you have all been given the same task, you will all come up with your own individual ways of expressing yourselves through that task. We can't wait to see your dogs. Enjoy and express yourselves!

AOLE	Challenge
Mathematics and Numeracy 	<u>Symmetry</u> Work your way through the Mathematics and Numeracy PowerPoint to gain an understanding of Reflective Symmetry. There are a series of activities Challenges for you to complete. Challenge 1: Work your way through the PowerPoint and complete the activities and draw the shapes in their new positions after being reflected over the mirror line. You can decide on your level of challenge. Challenge 2: Decide on your level of challenge and draw the shapes in their new positions after being reflected in the vertical and horizontal mirror lines. Challenge 3: We would like you to draw your own picture showing an example of any type of symmetry. Remember to add detail to your drawings, making sure they are symmetrical.
Humanities 	<u>Artists from Around the World</u> This week again we are going to be carrying on with our project which we started 2 weeks ago. You should have created your front cover Artists around the World, given information about our first artist Vincent Van Gogh and our second artist Paul Klee. So this week we would like you to focus on Monet. As you have done include as much information as possible about him and where he is from. Add pictures of his most famous pieces of art. Give information about his childhood and the country where he is from. Remember to organise your work and present it in an interesting way. Change the design of your slides and maybe add animations and transitions. Have a look at the following link which is a virtual tour of Cardiff Museums Art Gallery. You might spot a piece by Van Gogh and Monet. https://youtu.be/hGS5LsQsnBI

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.
