Autumn Term
Theme: Authority and Influence

Year 6 - Autumn 2026

Authority and Influence

Why Am I Learning This?

I need to know how decisions that affect me are made, what influences these decisions and why. I need to know that there are different influences on me and my life, some are positive and some may be harmful.

By exploring governance in Wales and comparing this to governance across the world I will be able to make informed decisions to help me in the future.

I need to know who and what influences me and the qualities I look for in these influences. By engaging in enquiries and first hand decision making I will be able to start to understand who I am and who I want to be in the future and what is important to me in my life.

Key Questions

- What is an influencer?
- What influences me?
- Who has influenced life in Wales over history?
