

All resources and videos to support your challenges can be found on your Teams class page in files section at the top of the page.

All work should be saved in your J2E folder on HWB for your teachers to see and comment on.

Year Group: Year 3

Date: 1st - 5th March 2021

AOLE	Challenge
Language Literacy and Communication	Happy World Book Week!!
	This week, during our English lessons, we will be celebrating World Book Day. We will focus on our favorite books and authors. Lesson 1- take a photo of yourself reading in an unusual place. The winner will be the person who has the most unusual reading place. Lesson 2- read a book you really enjoy and complete a book review Lesson 3- watch the video of Julia Donaldson and think of as many questions as you can to ask her. Remember to start the question with: who, what, when, why, what. Finish your question with a question mark. https://www.youtube.com/watch?v=eqC-3uywep4 Bug Club books are available to read through Bug Club. A list of spelling words can be found in the English folder. *Please also remember to log on to Reading Eggs and Nessy if you have those accounts. Welsh Listen to these traditional Welsh stories, compare their similarities and differences and express your preferences.  

Health and Wellbeing

What is Fairtrade?

Lesson 1.

Over the next 2 weeks it is 'Fairtrade Fortnight'. During this time, it is important for us to raise awareness of Fairtrade. Watch the video outlining what Fairtrade is all about before completing the challenge in lesson 2.

<https://www.loom.com/share/9b68cc0304cd4410891a8c5424c4c21e>

Lesson 2

Now that you have watched the 'What is Fairtrade' video. You can see the extraordinary efforts it takes to ensure we have certain foods on our shelves. Not all food in our shops is Fairtrade and unfortunately not everyone buys Fairtrade products. Your challenge is to create a poster reminding people of what Fairtrade products they can buy. You can find this information out by using what you learnt from the video or carry out further research to find more products available.

This poster must include.

- A title
- The Fairtrade logo
- Images of at least 4 Fairtrade products and captions to encourage people to buy Fairtrade

You can complete this poster on J2E or using paper and colours. Which-ever you decide please make sure you include the above details and save it to your J2E folder.

Keep fit with Mr Ffit

Enjoy a bilingual workout with Mr Ffit.

Expressive Arts

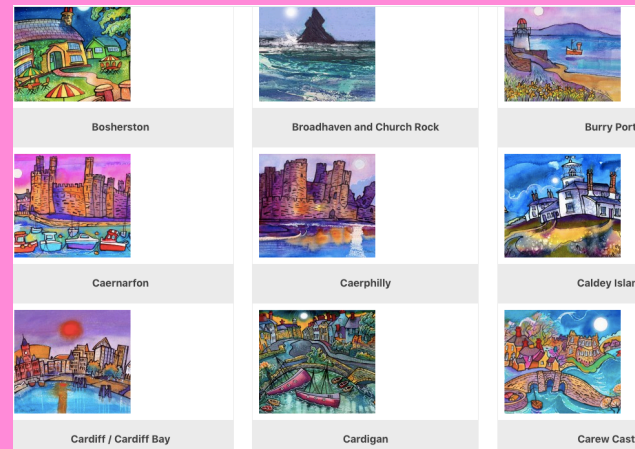

Dorian Spencer Art

Landscape Drawing - Dorian Spencer Davies

Dorian Spencer Davies is a Welsh artist, who specialises in drawing and painting landscapes. Most of the landscapes he creates are famous Welsh landscapes. Click on the link below to see lots of different examples of his work.

<https://www.dorianspencerdaviesart.com/shop/art-shop>

Below is a tutorial video of him creating a landscape using very simple lines and shapes to excellent effect. Using the same techniques as he uses and by following the video carefully, create your own landscape picture. You can replicate the landscape that is in the video or if you're feeling slightly more adventurous you can create your own landscape, while being sure to still use the same techniques that Dorian Spencer Davies is using in the tutorial. Davies' work is an excellent example of how simple sometimes art can be, whilst still being very effective!

Remember to post a picture of your work onto HWB, you could also Tweet it and tag the school @pontarddulaisSc and @DorianSpencer

We have added some Dorian Spencer Davies Colouring-In Landscape sheets for you in files too.

Science and Technology

St David's Day Daffodil Science

Turn your daffodils red for St David's Day.

Happy St David's Day! You can't beat the cheery yellow face of the daffodils popping up all over the place – or can you?

We often associate red with Wales, so could we make the Daffodil even more Welsh using a bit of colourful science?

Remember to upload images of your results on to HWB.

AOLE

Mathematics and Numeracy

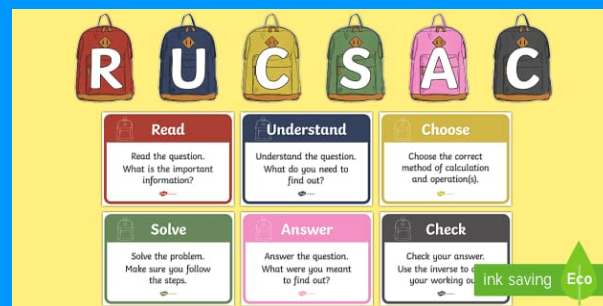

Challenge

Lesson 1 - Dividing by 10 - In this lesson we are learning to divide by 10. Watch the loom and Bitesize clip before completing the worksheet in files.

Lesson 2 – revision of multiplication and division – how much can we remember? Complete the problems which recap our learning over the past few weeks, which skills we need to practise? Indicate how challenging each problem was by drawing traffic lights next to each sum, for your teacher to see which parts you found challenging.

Lesson 3 – St David's cakes – use your reasoning skills to solve the problem. Have your virtual RUCSAC at the ready, read the instructions/steps very carefully and draw the problem out. Remember to upload it to J2E.

<https://www.timestables.co.uk/times-tables-cat.html>

Remember to continue practicing the times tables to develop your rapid recall.

Humanities

FAIRTRADE – The Journey of Chocolate

Lesson 1

As you are aware, over the next 2 weeks it is 'Fairtrade Fortnight'. Watch the video of 'The Journey of Fairtrade Chocolate' **mmmmm, yummy chocolate.**

<https://www.loom.com/share/c51f0aa8285946698725924730a8ae61>

Lesson 2

After you have watched 'The Journey of Fairtrade Chocolate' video. Your challenge is to research what countries around the world farm cacao beans (chocolate). Use the map in the files and highlight the countries that farm cacao beans (chocolate)

Then we want you to find out where in the world other Fairtrade products are farmed and add them onto the World map too.

Research:

- Tea
- Bananas
- Coffee
- Cotton
- Sugar

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.
