Home Learning

Use your Hwb account and associated programs to complete your work.

If you use Office 365 remember to share your work with your teacher. When using Just2Easy [J2e] remember to save your work for your teacher to see in your, 'My File Area'.

Year Group: Year 3 Date: 6-8 January 2021

AOLE	Challenge
Language Literacy and Communication 	Write a recount of your Christmas holiday. • What was your favourite part? • What was your favourite gift? • What did you do? • What did you eat? • Did you watch any films? • Did you play any games? Remember to include time connectives, write in full sentences with capital letters and full stops used correctly. Also try and include an adverbial phrase at the start of your sentence e.g. On Christmas morning,
Health and Wellbeing 	New Year's Resolutions Read the powerpoint Traditions in Wales, this will tell you how a new year is traditionally celebrated in Wales. How did you celebrate new year? At the start of a new year, lots of people make promises to themselves that they will try to do certain things or stop bad habits etc, these are called New Year Resolutions. Create your own New Year Resolutions or promises. What do you want/need to do? Is there something you'd like to do more of, a hobby you'd like to start or something you need to work harder at? Some ideas: listen to your parents, keep your room tidy, argue less with a brother or sister, try something new, reduce screen time or work harder at learning your times tables. Use the template provided to help you or write your resolutions on J2e5.

Challenge

Write new words to a familiar tune or rhyme

Write new words to a tune that everyone knows e.g. Jingle Bells or Twinkle, twinkle little star. Your lyrics should be expressing a message of hope for 2021. Record yourself singing your song and share it on Teams or on HWB.

Science and Technology

Litter hunt

Go for a walk in your local area, along your street or to the park. Keep a tally of all the litter that you find on the ground. Upon your return, transfer the data you have collected into a bar chart using J2data. Interpret the data: what did you find the most of, what did you find the least and how much litter did you find all together? Did your results surprise you, why?

AOLE	Challenge
Mathematics and Numeracy 	★ ★★ ★★★ Column addition and subtraction At the end of last term, we were learning how to solve addition and subtraction problems using the formal written method of columns. Choose your level of challenge and complete the problems. Remember to start with the lowest place value column first (units). Keep all digits aligned in the correct column.
Humanities 	Global warming and climate change  ★ ★★ ★★★ Carry out some research to find out information on the following topics global warming and climate change. What are they? How do they affect us? Important people linked with the topic, what can we do to help slow down these changes? Present your research using J2E. https://easyscienceforkids.com/all-about-climate-change/ https://kids.kiddle.co/Climate_change https://www.fun-facts.org.uk/earth/globalwarming.htm https://kids.kiddle.co/Global_warming

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.
