Language Literacy and Communication 	**Oracy** https://www.bbc.co.uk/cbeebies/watch/chinese-new-year Click on the link to watch the Chinese New Year story, sequence the pictures and talk about the story. You will also find a Chinese New Year PPT in the files section. **Reading** Listen to Mrs Powell reading the story The Dragon Dance and enjoy. Can you write a sentence to tell me what your favourite part of the story was? **Don't forget to continue to practise recognising your sounds and key words. Log onto to Bug club to find out which sounds and books you have this week. Remember that our Initial sounds, alternate sounds and key word PowerPoints are always in the files section on Teams, for you to use for your daily practise.** **Key Words -** **to** **help** **she** **he** **be** **like** **look**

Try one of these activities to help read and spell the key words this week. Some examples on what you could do are below. You can create your own Bingo boards, play naughts and crosses or allocate a word per number on the dice.

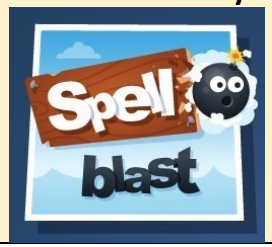

Look for the Key Word video and Power point in the Files section of Teams.

Practise your spellings using Spell Blast on J2Blast! Start by selecting Phase 2 words to spell and move on to the next phases when you're confident you can spell all the words. You can also select High Frequency Words by sliding the bar all the way to the end.

Writing

Watch the video found in Files called “Chinese Writing”

Have a look at “Chinese Zodiac Years” in Files – ask a grown-up to help you find the year that you were born and the animal of that year.

In Files there is a folder called “Zodiac Symbols” – in there you can find a copy of each “Year of the …” animal symbols – choose the one you want to copy.

Copy the Chinese symbol for the animal of the year that you were born on a blank piece of paper – you can use a pencil, pen or paint.

Find the animal of other people in your family – can you copy writing those symbols?
Remember to take a picture of your work and upload it to Hwb for us to see.

Expressive Arts 	**Let's make a dragon!**   Miss Williams has made a dragon. Listen to and watch Miss Williams on the PowerPoint showing you how to make a dragon. Remember to click on the speaker icon to listen to Miss Williams speaking. What will your dragon look like? You can print the dragon template off Teams, or you can draw your own dragon face, tail and legs. Can you talk about your dragon? You can do this by recording yourself on JIT or by writing sentences on JIT.

Can you research different Chinese patterns? Can you try these out on your dragons' body?

Here's a different way to make a dragon, maybe you can create one of each?

Make a Chinese Lantern

Try making a Chinese Lantern. You can find some instructions and a template in the shared folder.

Science and Technology

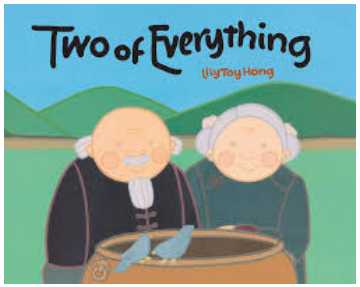

<u>What does your digital footprint look like?</u>

Can you create your own digital footprint? Miss Williams has made a PowerPoint explaining what a digital footprint is. With this information, could you make your own digital footprint? Miss Williams has also done hers! Remember to click on the speaker icon to listen to Miss Williams speaking.

Can you explain your digital footprint? You can do this by recording yourself on JIT or by writing sentences.

AOLE	Challenge
Mathematics and Numeracy   	<u>Two of Everything</u> Listen to the story 'Two of Everything' in the files section on Teams. It is a Chinese folktale about doubling.  Can you create your own magic doubling pot? Try and put one small item (buttons, counters, sweets etc) into it; can you work out what should come out if it doubles? Try this again with different amounts of small items up to 10.  Can you complete the doubling challenge sheets, to show that you understand how to double? <u>Extra Challenge</u> Can you write adding sums to go with your ladybird worksheet? Double 4 is 8 so 4 + 4 = 8

	Ordinal Numbers Listen to the story "The Great Race – The Story of the Chinese Zodiac" in Files, and listen to the instructions at the end of the story. Find "Ordinal Number – Animals" in Files – carefully cut out the animals and stick them in order on a piece of paper. Listen to the story again if you need help. Now that you've put the animals in order, write the correct ordinal number under each one. • Sequence the Numbers to finish the Chinese Dragon- Focus on numbers up to 20 then up to 100. https://www.topmarks.co.co.uk/ordering-and-sequencing/chinese-dragon-ordering
