Pontarddulais Primary School

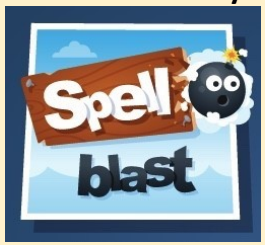

Home Learning

Use a workbook or your Hwb account and associated programs to complete your work.
If you use Office 365, remember to share your work with your teacher.
When using Just2Easy [J2e] remember to save your work for your teacher to see in your 'My File Area'.

Year Group: Reception/Year 1 **Date: 1st February 2021**

AOLE	Challenge
Language Literacy and Communication	**Oracy** This week we are learning all about Police Officers. For our 1st challenge we would like you to think of some questions for a police officer. Use question words such as 'who, where, what, when and why?' Can you record yourself asking questions. Use the question hand sheet found on Teams to help you. **Don't forget to continue to practise recognising your sounds and key words. Log onto to Bug club to find out which sounds and books you have this week. Remember that our Initial sounds, alternate sounds and key word PowerPoints are always in the files section on Teams, for you to use for your daily practise.** **Key Words -** **up** **on** **at** **big** **A** **Try one of these activities to help read and spell the key words this week.**    

Practise your spellings using Spell Blast on J2Blast! Start by selecting Phase 2 words to spell and move on to the next phases when you're confident you can spell all the words. You can also select High Frequency Words by sliding the bar all the way to the end.

Have a go at these sound games too:

- **Picnic on Pluto** - https://www.phonicsplay.co.uk/resources/phase/2/picnic-on-pluto
- **Phoneme Pop** - https://www.ictgames.com/phonicsPop/index.html

Writing

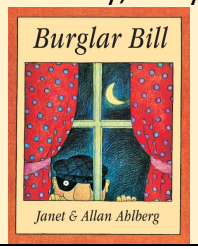

Practise writing two of the question words from the question hand onto a piece of paper with a question mark next to it.

Can you write 5 of the questions you would like to ask a Police officer onto a piece of paper. Try and think of the different types of questions using the 5 w's 'who, what, when, where, why?' etc
Don't forget to use a question mark at the end of the sentence instead of a full stop.

Story Time

Listen to the story Burglar Bill, in the Week 5 resources on Teams. Draw a picture from the story and write a sentence about your favourite part of the story, like you do in our Listening Station in class.

Health and Wellbeing

Watch the video “Right or Wrong” in Files.

Sort out the 10 scenarios into the Right or Wrong bubbles. Take a picture of your sorting and share it with us on Hwb.

Have a think about why each thing is Right or Wrong – use these sentences to explain:

It is right because …

It is wrong because …

Record yourself explaining why one thing is Right or Wrong and upload it to Hwb.

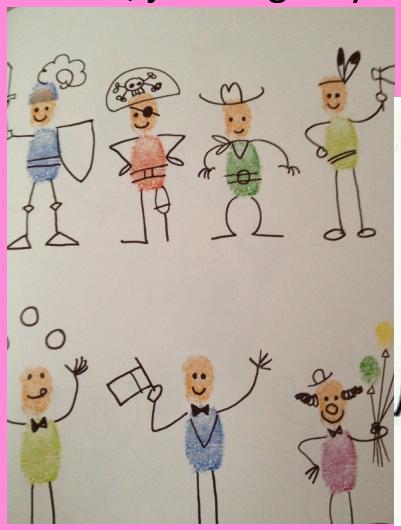

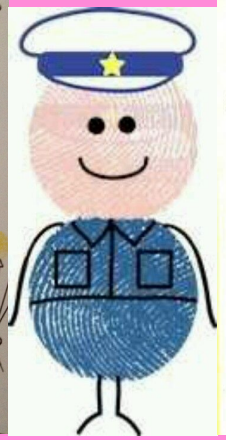

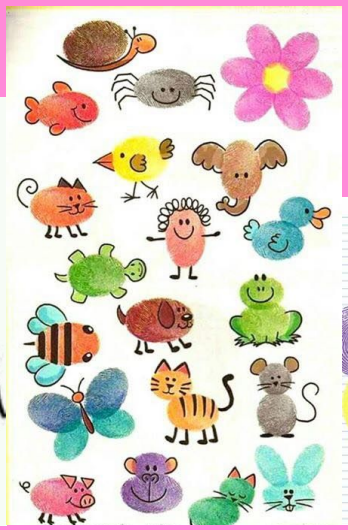

<u>Children’s Mental Health Week 2021 - ‘Express Yourself’</u>

This week is Children’s Mental Health Week and the theme is ‘Express Yourself’. To mark this week we would like you to express yourself in whatever way you choose. It could be to dance to your favourite song, sing your favourite song, learn a new song or dance, wear your favourite clothes or wear odd clothes, have a fun hairstyle, paint or draw something that you enjoy... you can choose whatever is important to you! Don’t forget to share what you have been up to this week on HWB, Teams and Twitter.

	You might want to listen and have a little dance to the song 'Express Yourself' by Labrinth, during the week https://www.youtube.com/watch?v=FTICDt01cbA – Have Fun and Express Yourself!

AOLE	Challenge
Expressive Arts 	**<u>Fingerprint Art</u>** Police Officers use fingerprints to find people who have committed crimes; they must be very careful and collect fingerprints, so they can see the differences in each print. Did you know that everyone in the world has different fingerprints, everyone's is different! This week can you make some art that is totally unique to you, by using your fingerprints? You can create anything you like, but we have included some examples

below, just to give you some ideas! We can't wait to see what you've created

Welsh Music Day

Friday 5th February is Welsh Music Day! To celebrate, here are two Welsh songs about people who help us!

https://cyw.cymru/en/songs/can-pobl-syn-helpu-the-people-who-help-song/

https://www.youtube.com/watch?v=9uA4KCTL5_A&feature=emb_title

Science and Technology

Let's do Junk Modelling!

With your recycling that you have been collecting, can you create an emergency vehicle? An emergency vehicle can be a police car, ambulance or a fire engine. Miss Williams has created an emergency vehicle herself and has recorded a video explain how she made it. Can you talk about your junk modelling? You could do this by recording yourself on JIT!

With your recycling that you have been collecting, can you create an emergency vehicle? An emergency vehicle can be a police car, ambulance or a fire engine.
Can you tell us what 3D shapes you have used? You can choose how you tell us about your 3D shapes! There is a 3D shapes mat in teams to help you with your 3D shapes. You could use a video, JIT, recording or sentences.
Miss Williams has created an emergency vehicle herself and has recorded a video explain how she made it and what shapes she has used.

AOLE	Challenge
Mathematics and Numeracy	Burglar identity Parade Watch the video “The Burglars” in files for instructions on how to help the Police. You will find what you need in Files, called “The Burglars – table and people”. There is also “The Burglars (Instructions)” for you as well.  Can you find all the Burglars? Use a tally to keep count. First, all the Burglars have green eyes – how many Burglars are there? Can you do that again? But this time, all the Burglars have yellow hair – how many are there?  Do it once more, but now all the Burglars have yellow hair **and** brown eyes – how many Burglars are there?

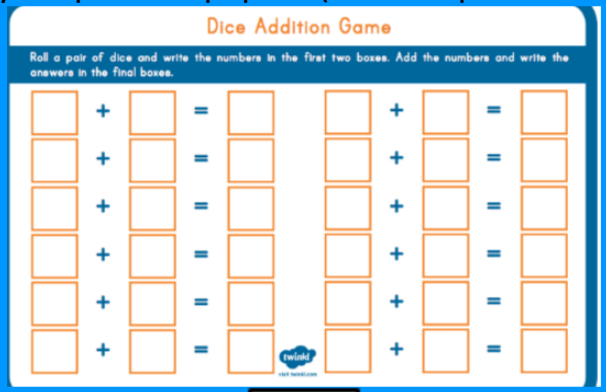

Addition

Click on the link to practise some addition with the Numberblocks - https://www.youtube.com/watch?v=C6KDz2mAn9o. What happens when we add two numbers together? Get some lego bricks/blocks and add them together with the Numberblocks.

Addition - Dice Addition Game

Can you roll two dice and add them up to find the total? You could use blocks, cars, pasta etc to help you with adding up the totals, e.g. roll a six (lay out six cars) then roll a four (lay out 4 cars with the six cars) now count out the total - 6 and 4 makes 10. Can you write a addition sentence on your piece of paper? (an example is below).

Extra Challenge - Can you make addition sums with three dice (or by rolling three times) add up the dice from the first 2 goes and then add on the final dice amount. e.g (6+6 =12 then 3 so 12 +3 = 15. Can you write these as addition sentences on your piece of paper?

Remember to use the games on Bug Club to practise you Maths skills too, I've allocated an adding game called 'Balloon Pop' for you this week.

Humanities	**Challenge 1** What does a police officer wear? Draw a picture of a police officer and label what the police officer is wearing. Here are examples of clothes that police officers wear: hat, radio, belt. **Challenge 2** Take a look at the 'Now and Then' PowerPoint. Listen to Miss Williams on the first two slides by clicking the speaker icon. Can you do the same thing for the rest of the PowerPoint? Can you look at the pictures and discuss with someone at home what the difference is between them? Can you record this discussion on JIT? Remember, if need help with this, Miss Williams made a video for you last week to show you how (you can find it in the 'Files' section on Teams for Week 4). Take a look at the 'Now and Then' PowerPoint. Listen to Miss Williams on the first two slides by clicking the speaker icon. Can you do the same thing for the rest of the PowerPoint? Can you look at the pictures and discuss with someone at home what the difference is between them? Can you write sentences on JIT to tell us what the difference is between these photos?

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.

Remember – How you complete your challenges is your choice. If you would like to show us your work via Hwb we would love to see it. We are missing you all and can't wait to see you when we return to school.
Stay Safe, love from Mr Wilson, Mrs Foley and Mrs Powell 😊
