

## Home Learning

Well done to those of you who attempted 'Challenges' last week.

We expect you to upload these to the relevant 'Area of Learning' files that have been set up in your J2e accounts.

We will be looking at and commenting on these at the end of each week.

Answers for Maths work will be uploaded to the website every Friday, so you can check if you're correct!

When using Just2Easy [J2e] remember to rename your documents so that they are easy for your teacher to find and mark.

| <p><b>Language Literacy and Communication</b></p>  | <p><b>Reading:</b> Read regularly (a range of fiction and non-fiction books) and comment in your Reading diaries.</p> <p><b>Writing challenge – Use J2e</b><br/>           ***This week, we would like you to write a daily entry in an 'Enforced lockdown, Covid-19 journal'. From Monday, write an entry at the end of each day outlining what you've done, what's happened in your family and how you feel. We will expect a detailed entry for each day. Make them funny, interesting, informative and above all be honest.<br/>           **Write a weekly overview entry in an 'Enforced lockdown, Covid-19 journal'. Write it Friday, so that you can reflect on the week. Try and include what you've done, played, eaten and what exercise you've done.<br/>           *Write a sentence each day in your 'Enforced lockdown, Covid-19 journal'. Describe what you've done that day.<br/> <b>FEEL FREE TO INCLUDE PICTURES OF ACTIVITIES.</b></p> |
| <p><b>Health and Wellbeing</b></p>                | <p><b>'A SURVIVAL GUIDE FOR LOCKDOWN'</b><br/> <i>This activity will carry on for another week, as we didn't feel you had enough time to complete it in a week.</i><br/>           It's never been more important to think about 'Health &amp; Well-being' than at this point in our lives. We need to ensure our physical health; our diet and our mental health are focused upon.<br/>           With this in mind, we would like you to create a video called: 'A Survival guide for lockdown'.<br/>           What tips would you give others on:<br/> <b>How to keep fit?</b><br/> <b>What to eat?</b><br/> <b>How to occupy yourselves?</b><br/> <b>How to make sure you're still focusing on your education?</b><br/> <b>How to cope with annoying siblings, being with your family 24-7?!</b><br/> <b>How to stay safe? Etc.</b></p>                                                                                                               |

## AOLE

### Expressive Arts

## Challenge

### 'Would you believe they put a man on the moon?' Neil Armstrong

Last week, we challenged you to create a picture of someone in your household, in the style of '**Andy Warhol's Pop Art**'. This week we would like you to focus on a specific individual; **Neil Armstrong**. As you know, he was the first man to set foot on the surface of the moon. This will lead into our work over the next few weeks linked to the '**Space Race**'

As suggested last week, use paints, pastels, colouring pencils, felt pens...or you can do it digitally.

### Science and Technology

Use **J2E Spreadsheet** to record your research from your Geography task in a table. Then use this table to create a line graph to present your data. Look at the example uploaded as a guide.

- Create a table for your data
- Create borders for each of the cells
- Colour code the data for Swansea and Texas
- Make the column headings **bold**
- Center the text in each of the cells
- Create a line graph that displays both sets of data
- Give your line graph a title

- Create a table for your data
- Colour code the data for Swansea and Texas
- Make the column headings **bold**
- Center the text in each of the cells
- Create a line graph that displays both sets of data

- Create a table for your data
- Make the column headings **bold**
