Year 1 and Year 2

Spring 2026

What a wonderful first term in Year 1 and Year 2 your lovely children have had. They have loved our theme 'Belonging' have been busy planning for the new theme 'Sustainability'.

Information

Reading – As we listen to the children read throughout the week, we need children to bring their books in every day please. It is important that you try to listen to your child read every night. Please use their reading diary to make comments on what page they have read up to. Or if they have found particular words tricky and we will do the same.

Wednesday

Mrs John- PE

Mrs Thomas - Forest School & PE

Mrs Williams - Forest School (PE Friday)

PE

Please can your child come to school wearing their P.E kits. Can this consist of jogging bottoms/leggings, a t-shirt, zip up hoodie/jacket and trainers.

Forest School

Wellies and wet weather items can be kept in school – children will need to wear long sleeve tops and trousers and bring a coat.

Topic:

Sustainability

This term, our topic will be sustainability. The children will be learning all about global warming and the positive and negative impact humans have. We will focus in on the effects global warming has on the polar bears and the melting ice caps and aim to teach our community how to help save the polar bears.

Snack

We ask for your child to bring in a healthy snack for playtimes and a bottle of water to keep in class. If sending in grapes, please make sure all grapes are cut into quarters.

Homework

Homework will be allocated every Thursday. We will alternate a Monster Phonics and Maths activity. Please can the homework be returned to class by the following Thursday.

Thank you for your continued support.

Mrs Thomas, Mrs John and Mrs Williams
