Language Literacy and Communication 	 This week we would like you to write a diary entry telling us about your week at home. A diary entry is an account of what you have done during the day so either write it in the evening, or write it in the morning about the day before. Try and use the following features in your writing: • Start each entry with the date and use 'Dear diary' • Remember to use 1st person language - I, We • Write in the past tense • Your events of the day should be in order • Try and include your thoughts and feelings at different points during the day. Write a diary entry for 1 day of the week Write a diary entry for three days of the week Write a diary entry for five days of the week.
Health and Wellbeing 	 Here we go again! It's important that we learn new skills all the time and there is no better time than during lockdown to learn a new skill. I hear you all say, 'What skill can we learn today, Mr. Jones?'. I challenge you by this Friday to learn how to… **'Make an Origami Dog'** Click on the link below and follow the instructions on how to do it. Please send us pictures of your finished and coloured dogs. https://www.youtube.com/watch?v=wWVppdfYOx8 You may find other animals to make an origami animal out of – something you may find in a rainforest maybe?

Expressive Arts 	We can express ourselves in many ways. We all have also had ‘down’ days during this lockdown. ‘What are you going on about Mr. Jones?’, I hear you say. ‘How are these two things you’ve said, linked?’. Well… To cheer us up and your classmates up, I would like you to express yourselves by… **Telling a joke and/or telling us a funny story** that has happened to you or someone you know. Here’s a joke to get you started: Why was 6 afraid or 7? Because 7, 8, 9! Want another one? How do you talk to a giant? USE BIG WORDS! One more? What’s brown and sticky? A Stick! OVER TO YOU – Make us Laugh
Science and Technology 	How to keep an apple from not turning brown investigation Look at the documents on the school website for instructions, prediction and observation sheets to find in.

Mathematics and Numeracy 	★	Zios and Zepts Reasoning Challenge On the planet Vuv there are two sorts of creatures. The Zios have 2 legs and the Zepts have 3 legs. The great planetary explorer Nico, who first discovered the planet, saw a crowd of Zios and Zepts. He managed to see that there was more than one of each kind of creature before they saw him. Suddenly they all rolled over onto their backs and put their legs in the air. He counted 23 legs. How many Zios and how many Zepts were there?

Humanities 	★	A bit of geography this week. I would like to know which is the busiest street in Pontarddulais. On one of your exercise walks this week, I would like you to complete this task. Go and stand (safely and with your parents) in up to 10 different streets in Pontarddulais and make a tally chart counting the number of vehicles that pass you in either 5 or 10 minutes (depending how much time you have). Make sure that you spend the same amount of time on each street. The one with the most vehicles/traffic passing you will be the busiest street. There is a tally sheet on the website to fill in if you need it.
