Pontarddulais Primary School

Home Learning

Continuing with our topic on the rainforests, use a workbook or your Hwb account and associated programs to complete your work. If you use Office 365, remember to share your work with your teacher. When using Just2Easy [J2e] remember to save your work for your teacher to see in your 'My File Area'.

We hope you enjoy completing the challenges, we can't wait to see the work you produce! Stay safe and take care – Mr Jones and Mrs Lockley.

Take a look at Microsoft Teams on your Hwb account. You can use this to talk to your classmates and share completed work with each other. At the start of the week your teacher will write or send a video message to you all – remember to take a look!

Year Group & Topic: Summer Term Challenges Y4 **Date: 13/7/2020**

AOLE	
Language Literacy and Communication 	★★★ **This challenge links to the Science and Tech challenge for the week!** Can you write out your baking recipe with instructions? This needs to be as clear and precise as possible as I would like lots of yummy recipes that I can try out over summer! We all know how much Mr Jones enjoyed making Welsh cakes in school, he can't wait to try out your recipes as well! Make sure you include the equipment you will need, ingredients and how much of each, and a clear set of numbered instructions that can be followed. I would include a picture of your finished bake so I know what it should look like when I have a go!
Health and Wellbeing 	★★★ It's that time of year again… Sports Day! Although we can't have our usual Sports Day fun in school, we thought it would be great to get the whole school together for the last week of term to take part in…. Pontarddulais Primary Schools' First Home School Sports Day! The list of event ideas have been sent out via parent mail and are on our class page on the school website. Please take as many pictures as possible and upload to twitter using #Bontsportsday or if you don't have twitter, put on teams. I'll definitely be having a go at some of the events… can you beat the teacher? Give it a go!

AOLE	
Expressive Arts 	★★★ I saw so many beautiful pieces of artwork from the 'Andy Warhol' challenge a couple of weeks ago that I thought it would be lovely to see more of your fantastic artwork. This time, I would like you to create something using the 'pointillism' technique. This is art that has been created using lots of small dots of paint – I have put a powerpoint all about it in your shared area on J2e. You can paint whatever you would like – your garden, favourite superhero or even a self-portrait! Here are some examples to give you an idea of what to do. 
Science and Technology 	★★★ It's time to get baking! For this challenge I would like you to have a go at baking cupcakes, but the twist is I would like you to be inventive! Can you add something to your mixture to make the recipe more exciting? For example, you could add different flavours and food colourings, or maybe add in fruit or chocolates? You could decorate in a new and exciting way! Be as creative and inventive as possible! Don't forget to write out your recipe for the language challenge so I can follow it! I can't wait to see the amazing cupcakes you come up with!

AOLE

Mathematics and Numeracy

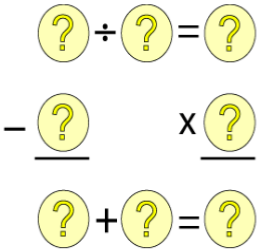

★★★

Here are two challenges for you to have a go at!

A Square of Numbers

Age 7 to 11 ★

Can you put the numbers 1 to 8 into the circles so that the four calculations are correct?

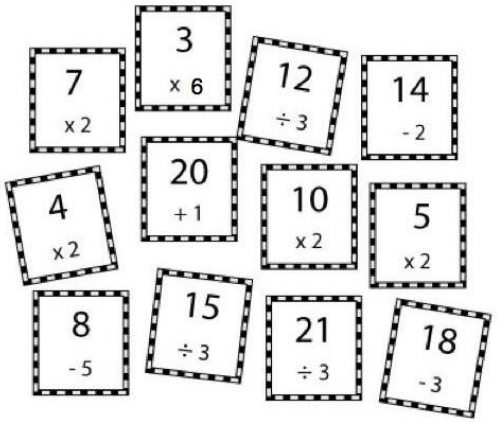

Click on the link here for an interactive version - https://nrich.maths.org/2005

Ordering Cards

Age 5 to 11 ★

Look at these cards.

Can you sort them so that they follow round in a loop?

Humanities

★★★

The 5-mile travel ban has finally been lifted here in Wales, which means we can go and visit some of our favourite places! Below is a list of Welsh towns and cities. Your challenge is to;

- Find out the name of those places in English
- Plot and label them on a map of Wales (you can find one in your shared area files in J2e)
- Tell me one thing that each of those places is famous or well-known for, or what well-known attraction is there
- Find as many place names as possible that have the same name in English and Welsh

You can find out and plot as many or as few places names as you wish. They are;

Abertawe, Caerdydd, Pen-y-bont, Casnewydd, Dinbych-y-pysgod, Castell-nedd, Penfro, Aberhonddu, Porth Tywyn, Sanctaidd, Bae Colwyn, Wrecsam, Y Drenewydd, Cei Newydd

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.
