Pontarddulais Primary School
Remote Learning- Old McDonald had a farm (Week 2)
Nursery Class. February 1st-5th

Children's mental health and well-being week

Activity 1 – Click the link below and join in with 'On the Farm, Cosmic Yoga.' It's lots of fun and keeps you fit and healthy. It's very important to keep your body and mind happy and healthy. This week is Children's mental health week. We can't wait to see your photos/videos of your yoga session.

Activity 2 – Duck, duck, goose is a fun game that we like to play in school. You might need to ask your grown-ups and siblings to help with this game. If there aren't many of you in the house, you could use dolls or teddies with your grow ups help. You all sit in a circle. The child walks around the edge of the circle tapping people's heads as they move around saying duck. When they choose to say goose, that person has to run around the circle to try and chase them. You must make it back to the empty seat before you get caught. Good luck!

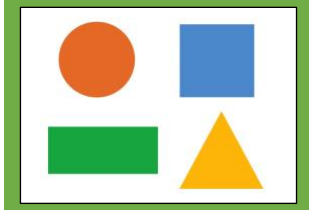

Activity 3– What's missing game?

Can you collect some farm animals you have at home? If you don't have any you could use pictures of farm animals or any other animals/small toys you have. You put the animals on to a tray or plate and discuss what you have. Then you ask the child to close their eyes and you take an animal away. Can the child guess which one is missing? This game is a good opportunity to develop language and problem solving. Start off with 5 animals, if this is too easy add in more animals.

Friday is Welsh Music Day! Can you have a go at singing and dancing to these Welsh songs to celebrate?

Activity 4 – Shapes

Can you draw out or print out the shapes circle, square, triangle and rectangle and decorate them in any way you'd like. Next you choose a farm animal of your choice. Ask your grow up to challenge you to see if you know your shapes, for example, 'Can you put the cow in the circle?' Show us how you got on by filming a short video. If you're confident with all 4 shapes you could add in extra shapes such as heart and star.

Activity 5– Who am I?

Can you remember how to play the who am I game boys and girls? We have a few different games for you to try. You can click the link, listen to the sounds and guess them. https://www.bbc.co.uk/cbeebies/puzzles/down-on-the-farm-animal-sounds-quiz We have a game where you have lots of different pictures and your grown-ups have to guess what animal you are by you making the animal sounds. Our next game has clues for your grown up to read to you to see if you can guess what animal they are describing. These games will be in the files section. Have fun!

Activity 6 – Sensory farm

Can you make your own sensory farm using materials you have at home? You could use a box or a tray. There are lots of ways to create this. You could use sand, soil. leaves, twigs, cut up paper, paints, recyclable materials or anything you have at home. Then you can add in animals you might have or pictures of animals to role play 'Old McDonald had a farm.' You can also play some sounds games, asking what sounds the animals make, some counting games, or ordering animals by size in your sensory farm.

Remember to practise the jolly phonics song too boys and girls, enjoy! https://www.youtube.com/watch?v=74kIrFdOaPw
