Pontarddulais Primary School
Remote Learning- Five currant buns
Nursery Class. January 18th-22nd

Number cards and cooking

Activity 1 – Can you create your own number cards? You could cut up some paper or card into rectangles and write the numbers 0-10 on them. I'll upload some for you to print or refer to for help. We will be using these in our live sessions towards the end of the week.

Activity 2 - Can you sing the song 5 currant buns? Choose a tasty treat and follow a recipe to make it at home. Please can you take a picture using the camera on hwb so we can see your tasty treats.

Activity 3– Holding and using a book correctly.

Can you read a story with a grown up? Choose your favourite story and practice holding it correctly, turning the pages in order, talking about the front cover and the pictures in the story. Can you take photograph or video to let us know how you got on?

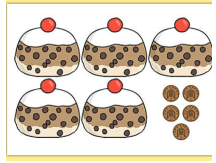

Article 6: All children and young people have the right to survive and the right to develop.

Activity 4 – Cake shop role play

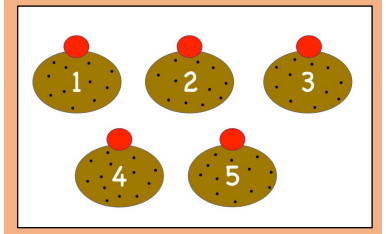

Can you create your own cake shop at home? You can either make some cakes or draw some cakes to sell in your shop. You can sell them for 1p each. See if your family can buy one or two from you. Use some real 1p coins in your shop and practice adding them together and counting them. You could dress up like a baker and make your own name badge if you'd like.

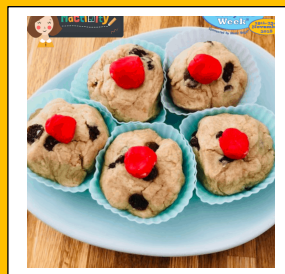

Activity 5– Currant bun stones, counting and ordering

Find some stones or pebbles in your garden or on a walk in your local area and make them into currant buns. You could use paint or pens to do this. Can you add a cherry on top and write the numbers 1-5 on them like in my photograph to the right? Can you practice counting them and ordering them 1 to 5? Can you take hide one and figure out which one is missing? You could make a video and upload it to hwb to show us.

Activity 6 – Play dough and Welsh counting

Follow the play dough recipe weighing and mixing the ingredients with a grown up. Can you add in some food colouring to make brown? Next use your play dough to make 5 currant buns with a cherry on the top. Can you practice counting them in Welsh and record a video to show us. Remember it's un, dau, tri, pedwar, pump.

Remember to practise the jolly phonics song too boys and girls, enjoy! https://www.youtube.com/watch?v=74kIrFdOaPw
