Pontarddulais Primary School
Remote Learning- Incy Wincy Spider
Nursery Class January 11th-15th

Activities 1 and 2

Activity 1 – I wonder, can you find out how many legs a spider has? You could look in books or have a look on the internet. Can you draw a picture of Incy Wincy Spider with the correct number of legs on Jit5 (paint) and save it to your hwb account?

Activity 2 - Can you create Incy Wincy Spider? You could use paint, an egg carton or draw him? Please can you take a photo of your spider and upload it to your hwb account.

Activity 3

Can you have a think, what sound does spider start with? Yes it's 's.' Can you practice forming 's' at home? You could use a pencil and paper, have a go in flour, sugar or anything you have at home. Next can you have a look around your home for things that begin with 's', like socks or spaghetti. You take a photograph with everything you've found or make a little video to tell me what you've found.

There are some sequencing cards in the resources for you to print out to order the rhyme if you have access to a printer. We've also uploaded the rhyme, a PowerPoint of the rhyme with a backing track, and some Incy Wincy colouring pictures too if you'd like to have a look.

Activity 4

Can you go on a spider hunt? You could have a look in your garden, or maybe go for a walk in a local forest? I wonder how many you might find. Can you take a photograph of them while you're there and when you get home, can you record a video of you counting up to the number of spiders you found, and tell us where you went to find them?

Activity 5

While you are out on your spider hunt, could you collect some twigs to create a spider's web? Have a look at my example to the right. You can use some string or wool to wrap it around the twigs to form the web. Please take a picture and upload it to your hwb account so we can see.

Activity 6

In the rhyme Incy Wincy Spider, he climbs up the waterspout and falls back down again. Can you use a kitchen roll and create the drainpipe for the spider to go up and down? Practice singing the rhyme and moving the spider up and down the pipe at the correct time.

Remember to practise the jolly phonics song too boys and girls, enjoy! https://www.youtube.com/watch?v=74kIrFdOaPw
