Pontarddulais Primary School

January 6th-8th

Remote Learning- Jack and the beanstalk

Nursery Class

Activity 1 – Can you build a beanstalk as tall as you using blocks or lego at home? Can you add some more blocks to make the beanstalk taller than you? Next, can you take some blocks away to make it shorter than you?
Please take a photo using the camera on hwb so we can see what you've done.

Activity 2

Can you count Jack's beans? Find some beans at home (or anything small you can find) to practice counting Jack's five beans. Can you practice counting to five with your family?

Article 6: All children and young people have the right to survive and the right to develop.

Activity 3

Can you make the golden egg?

You can do this is any way you would like. You could boil an egg and paint it gold. You could draw an egg and stick gold paper or wrapping paper on to it. You could make some play dough to create the egg. Or you could even make a papier-mache egg using a balloon, newspaper and glue.
Please take a picture of your eggs using the camera on hwb so that we can see what you've done.

Activity 4

Can you identify the sounds to climb the beanstalk and reach the castle at the top? Remember 's a t p i n.'
Can you practice saying them with your family and forming them in any way you'd like. You could form them on Jit5 paint; you could use pencils and paper, in shaving foam or in the mud outside.
Please can you take a photo of your letter formation using the camera on hwb so we can see what you've done.
