Pontarddulais Primary School

December 14th-18th Remote Learning- Christmas

Nursery Class

Activities 1 & 2 - Phonics

Activity 1 - Practice the 'jolly phonics' (phase 2) song which can be found on You Tube.
Activity 2 - Practice forming the sounds 's a t p i n' in any way you'd like. You could draw them in glitter, in sand, on paper, or on Jit5 on hwb. Please can you take a picture using the camera app on hwb so we can see what you've done.

Activity 3- It's party time!

Can you make some decorations to have some festive fun and a Christmas party at home? You can use anything you have at home to make any decorations you'd like. Remember we've started to practice using scissors safely in school, if you'd like to have a go at home too.

Merry Christmas and a Happy New Year to all of the boys and girls and your families! From everyone in the Nursery class.

Activity 4 - Christmas food

Can you have a look online or in cooking books to find a recipe you'd like to use to cook something for your Christmas party? You could try and make some mince pies, gingerbread men, or mini yule chocolate logs.

Activity 5 - Christmas Party!

Now it's time to put your home-made decorations up, lay out your party food and have a little Christmas party with your family. Put some Christmas music on and have a lovely festive time! Take a picture if you can using the camera app on hwb so we can see your great parties!

Activity 6 - Christmas trees

Can you draw a Christmas tree on hwb using jit5 (paint) and add on up to 10 Christmas baubles? Can you count the baubles and write the numbers next to them? Here's my example to the right.

Also, remember your homework we gave out too about the gingerbread men and women.
