September 2025

We are looking forward to meeting you all and settling into what will be an exciting year! Here's some information that will help this term!

Information

We would like to welcome your child to the Year 4 classes. This year is an extremely important time in your child's education, which will be further enhanced with your encouragement and co-operation. We hope this year will be a productive, settled and enjoyable experience for our Year 4 pupils.

In this letter, we hope to provide you with relevant information that will be helpful to you and your child.

Homework

Regular homework will be given and there's an expectation that every child attempts the tasks within the time limit - the homework will usually be given on a Friday and the children will be expected to complete it by Wednesday. If there are any circumstances in which your child is unable to complete their homework, we would appreciate a note of explanation.

Behaviour

A high standard of behaviour is an expectation in Year 4 in order to sustain a happy, safe working environment for all. Your support on the issue of behaviour and discipline is much appreciated. Should any incidents of questionable behaviour occur, the class teacher will contact you immediately.

We hope your child will enjoy their time in Year 4. Details, which will outline and exemplify all of the above and provide you with an insight into all our arrangements, provision and curriculum for the coming year, will be available in 'Meet the Teacher' next week. We look forward to seeing you then.
