

Try and complete your challenges on J2E as it automatically notifies your teacher once you have completed the task. Remember that if you complete your challenges on OFFICE365 you must share them with your teacher or they will not be able to see your work. Or if you don't have internet access then you can complete the tasks on paper and the worksheets provided.

Year Group: Year 6

AOLE	Challenge
<p data-bbox="188 520 533 596">Language Literacy and Communication</p> 	<p data-bbox="757 616 2056 863">Your language challenge this week is to write a story with the title: 'The Key'. You need to think about your setting, characters and write with a clear beginning, middle and end. Will your 'key' be something that unlocks another world? Will it open a door that you've discovered in an attic? Will it be a key to a haunted house? What journey will your 'KEY' take you on? Will you write in the 1st person, or will this be a story about a group of friends on an adventure?</p>
<p data-bbox="192 1019 528 1054">Health and Wellbeing</p> 	<p data-bbox="757 1062 2047 1302">This week we'd like you to test your culinary skills in the kitchen in our WWII cooking challenge. Imagine its 1943 and you're living on rations and eggs and ingredients are scarce. We'd like you to cook a nutritious, eggless chocolate cake. You must follow the recipe given and then upload a picture of your family enjoying their slice!</p>

AOLE

Expressive Arts

Challenge

Your challenge this week relates to 'Artists from Wales' There's a wealth of Artists and Art to choose from in Wales but we have decided you should focus your attention on the work of 'Nick Holly' – a local artist and 'Kyffin Williams'. You might recognise where some of Nick Holly's paintings are linked to. Your challenge is to do a little bit of research and study some of their paintings. We've put a Power point on the website with some images as examples – but you can always look at different ones to inspire you. Note the style, colour and content and then decide on a favourite. We would like you to re-create one of their paintings to the best of your ability. You can sketch, paint, charcoal, chalk, colour...whichever media you would like to use. Take a picture of these and upload to J2e.

Science and Technology

This week we would like you to imagine you are an app designer working for Google in Silicon Valley. You need to think very carefully about what your app actually does. Will it be educational? Who is it aimed at? What will your logo look like?

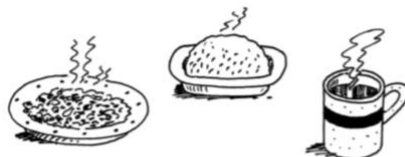

AOLE

Mathematics and Numeracy

Challenge

Franco's fast food

This is what food costs at Franco's café.

- 1 curry and 1 tea cost £4.
- 2 curries and 2 puddings cost £9.
- 1 pudding and 2 teas cost £2.

What do you have to pay in total for
1 curry, 1 pudding and 1 tea?

Albert Square

36 people live in the eight houses in Albert Square.
Each house has a different number of people living in it.
Each line of three houses has 15 people living in it.
How many people live in each house?

Use RUCSAC and a systematic approach and have a go at solving these two problems.

Humanities

One of the most famous women in history was Florence Nightingale. For your Humanities challenge we would like you to read the text provided and identify ten important things you've learnt about Florence and her work. Put the facts in order from most important to least important. We'd also like you to think of 5 questions you have about her and her life after you've read the text.

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.
