

Home Learning

Well done to those of you who attempted 'Challenges' last week. We expect you to upload these to the relevant 'Area of Learning' files that have been set up in your J2e accounts.

You can email us through HWB, when you've attempted the challenges you are going to do.

We will be looking at and commenting on these at the end of each week.

When using Just2Easy [J2e] remember to rename your documents so that they are easy for your teacher to find and mark.

Year Group: Year 6

Topic: Decades

Date: 11.05.2020

<p>Language Literacy and Communication</p> 	<div data-bbox="689 667 770 900">  </div> <div data-bbox="837 587 2078 1007"> <p>Your writing challenges this week link to Health & Well-being/Technology & Expressive Arts. We would like you to do two writing challenges linked to your 'Healthy snack'.</p> <p>Your 1st challenge is to write your recipe (with measurements) and write instructions on how to make it (method). Have a look at some recipes for a guide on how to lay it out. You never know, we might try and make your snack by following your instructions!</p> <p>Remember: each instruction should have an 'Imperative verb' (a bossy verb) to start it i.e 'Weigh', 'Place', 'Add', 'Mix' etc.</p> <p>Your 2nd challenge links to 'Expressive arts'. Using your design for the packaging on your 'Healthy snack', create a poster to advertise it. Try and make it as eye-catching as possible. Obviously, it'll need the name, a slogan that people will remember and you will need persuasive features to 'sell' it to the public. i.e 'Alliteration', 'Rhetorical questions', 'Rhymes' etc.</p> <p>You can create this free hand, take a picture and upload it, or do it on Word/J2e.</p> <p>REMEMBER: YOU SHOULD BE READING AND PRACTISING SPELLING PATTERNS EVERY DAY!</p> </div>
<p>Health and Wellbeing</p> 	<div data-bbox="689 1139 770 1372">  </div> <div data-bbox="837 1082 2078 1390"> <p>Can you produce a tasty nutritious snack that can be consumed by school children? This product could be a breakfast bar, a snack bar or even a smoothie. Your product must be nutritious, providing children with the energy they need, whilst also being tasty and healthy.</p> <p>Think carefully about the products you choose. You must select them based on their nutritional values as well as their taste. If sourcing the items is a problem for you then do not worry you can simply design your product and create a recipe instead. You may wish to take a photo or a video of the final product and share it on J2E or Twitter using the hashtag #myhealthyproduct.</p> </div>

Expressive Arts

Challenge

Your 'Art' challenge is to do a detailed drawing of your 'Packaging' for your Healthy snack. On your packaging you will need:

- Name of snack
- A picture of what it looks like
- Colourful packaging
- Show why it's healthy by identifying healthy ingredients or including text saying 'low sugar', 'low in fat', 'includes healthy fats', 'energy boost' etc.

Science and Technology

This week you have two Science and Technology tasks. Firstly, as mentioned in the **Health and Wellbeing Challenge** box, we'd like you to use your culinary skills to create a healthy product. Then using your **D&T** skills we'd like you to **design** and **create** packaging for your product.

Your designs should be annotated to show:

- Materials used
- Dimensions
- Packaging designs (See Expressive Arts Challenge Box)

Once you have created your product and the packaging, we'd like you to create a small evaluation showing what you are pleased with and what you think you could improve on next time.

<p>Mathematics and Numeracy</p> 	<p>It's REVISION time Year 6!</p> <p>Let's see what skills you've acquired within the Maths topics we have covered this year.</p> <p>You'll find 3 sheets on the website with a 1,2 and 3 star 'Maths revision challenge' for you to complete this week.</p> <p>We would like to see your calculations; use a Word document and upload it or write it out and take a picture. The answers will be put on the website on Friday.</p> <p>REMEMBER: YOU SHOULD BE PRACTISING YOUR TIMES TABLES REGULARLY!</p>
<p>Humanities</p> 	<p>Where in Wales?</p> <p>Ever wondered where places in Wales get their names from? A Welsh place name will usually describe its location. There are a small number of words that recur like Aber and Llan and appear frequently on the map of Wales.</p> <p>Can you identify 8 places that start with Aber, 8 places that start with Llan and 5 places that start with Pont? Write the meaning of each of these places names and plot them on a map of Wales with a key.</p> <p>Can you identify 5 places that start with Aber, 5 places that start with Llan and 3 places that start with Pont? Write the meaning of each of these places names and plot them on a map of Wales.</p> <p>Can you identify 3 places that start with Aber, 3 places that start with Llan and 1 place that starts with Pont? Write the meaning of each of these places names and plot them on a map of Wales.</p>

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.
