

Try and complete your challenges on J2E (or upload) as it automatically notifies your teacher once you have completed the task.
Remember that if you complete your challenges on OFFICE365 you must share them with your teacher or they will not be able to see your work.
Or if you don't have internet access then you can complete the tasks on paper and the worksheets provided.
Let us know on 'Teams' how your work is progressing and when you've uploaded it.

Year Group: Year 6

<p data-bbox="185 523 533 603">Language Literacy and Communication</p> 	<p data-bbox="1137 552 1630 608"><u>Civil Rights Movement (linked to our Decades topic)</u> Rosa Parks – What a woman!</p> <div data-bbox="1688 564 2051 651"> <p>Don't forget to tune and hear the next few chapters of our novel.</p> </div> <p data-bbox="696 643 1570 667">There are 3 tasks for you to complete this week. They are all linked to this amazing woman.</p> <p data-bbox="696 671 2047 727">Task 1. You need to find out all about Rosa Parks. There is a powerpoint that's full of information about her and her life. You can use this and other online sources to create a mind map to record key dates and events in her life. This will help you with your next task.</p> <p data-bbox="696 732 2069 815">Task 2. You will need to watch the video your teacher has created. You are going to create an encyclopaedia entry that you might find online at Britannica. You need to summarise all of the information that you've found about Rosa. It shouldn't be longer than a paragraph. So that means you only need to include the most important details about her life. See Science and Technology box for more information about this task.</p> <p data-bbox="696 820 2069 876">Task 3. This is a reading task for you this week. This is a comprehension on Rosa Parks. There are 3 different levels of text. Pick the one that you feel will challenge you the most. Don't forget that you can also use the information from the text to help with your research in Task 1.</p> <p data-bbox="696 880 824 904">Useful videos</p> <p data-bbox="696 909 1200 933">https://www.youtube.com/watch?v=9iQVMWGE3_s</p> <p data-bbox="696 938 1189 962">https://www.youtube.com/watch?v=Koeio4fqwmU</p>
<p data-bbox="192 1021 526 1061">Health and Wellbeing</p> 	<p data-bbox="757 1066 1653 1337">You will all be aware that, as a school, we have donated to Pontarddulais Food Bank in the past. They need donations now more than ever and they need our help. We would like you to be community minded and donate, if you can, to the food bank. We would also like you to create a poster to raise awareness in the community. We will tweet these and hopefully and hopefully it will encourage our community to donate what they can to help.</p> <p data-bbox="757 1377 1126 1409">#DONATENOWHELPOETHERS</p> <div data-bbox="1688 1038 2092 1414">  <p data-bbox="1711 1225 1951 1257">Canolfan Y Bont</p> <p data-bbox="1711 1273 1966 1297">Directions Save Call</p> <p data-bbox="1711 1305 1939 1329">4.8 ★★★★★ 4 Google reviews</p> <p data-bbox="1711 1337 1843 1353">Community centre</p> <p data-bbox="1711 1377 2069 1414">Address: 28 Dulais Rd, Pontarddulais, Swansea SA4 8PA</p> </div>

<p data-bbox="241 239 479 271">Expressive Arts</p> 	<p data-bbox="676 268 2020 778"> This task was one that we planned for the end of our WWII topic. We think you'll enjoy it so we've decided to do it anyway. We'd like you to gather some waste materials like toilets rolls tubes, strips of card etc. Using these you are going to create one of the most iconic WWII fighter planes, the Spitfire. Follow the step by step guide we have provided to create your aviation master piece. #makesomethingoutofnothing </p>
<p data-bbox="174 813 546 845">Science and Technology</p> 	<p data-bbox="1169 829 1572 861">Encyclopaedia Entry on J2 Writer</p> <p data-bbox="689 900 2056 1075"> This task is linked with you Language work this week and will give you an opportunity to explore the features of j2 Writer. Do not use J2E5 for this task. You need to start using J2 Writer to develop your skills as it is very similar to Microsoft Word and this is the programme that you will be using down the comprehensive. Look at the example of an encyclopaedia entry we have shared with you. This is how we would like your entry to look. Obviously, we want you to change the text and put your own encyclopaedia entry in. </p> <p data-bbox="1102 1082 1639 1114">You are going to use a range of skills such as:</p> <ul data-bbox="1249 1120 1550 1305" style="list-style-type: none"> • inserting pictures • text boxes • changing text to bold • aligning your text • underlining etc. <p data-bbox="748 1305 1998 1337">We have created a video that will show you how to use lots of the features we've mentioned above.</p>

AOLE	Challenge
<p>Mathematics and Numeracy</p> 	<p>Fractions</p> <p>This week you are going to continue learning about fractions. We are going to look at finding equivalent fractions. (fractions that look different but have the same value). There will be a video that explains how to find equivalent fractions. There will be 3 challenges. Try and have a go at all of them if you think you can. They get progressively harder.</p> <p>We will also look at simplifying fractions (finding the lowest term). Again, there will be a video explaining how to reduce fractions to their lowest terms. There will also be challenges linked to simplifying fractions.</p>
<p>Humanities</p> 	<p>Last week you should've researched and identified the major developments in technology over the past 60 years. We would like you to choose which invention you feel has had the greatest impact on society. We would like you to write a persuasive paragraph to convince us which invention you feel has contributed the most to society and is the most important. You must give reasons to back up your argument and persuade the reader (us!) that your choice is the right one.</p>

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.
