

Task 1

Character Description

Improve the boring 'Character description' below. Think about:

- Using different sentence starters, other than 'He'...
- Alliteration e.g 'His eyes were sunken, soulless and a dull, flat blue.'
- Including similes e.g 'The man had a 'rattlesnake' tattoo on his forearm, it was like a winding road to nowhere.'
- Rule of three e.g 'This villain was heartless, cruel and his soul was as dark as night (rule of three and a simile!)
- Descriptive phrases e.g 'His mirrored sunglasses covered his piercing, blue eyes.'

'To feed his habit, he constantly chewed and spat out Sunflower seeds, as if he were chewing and spitting out the camp's inmates'

'His temper was legendary, woe betide the boy who got on his wrong side'

The man wore sunglasses and a cowboy hat. He had a tattoo of a rattlesnake on his arm. He wore jeans and a white shirt. He wore cowboy boots on his feet. They were brown. He was a nasty man. He had a bad temper. He had quit smoking and ate Sunflower seeds as a snack. He didn't like children. He hated his job. His nose was big and his eyes were blue. He was short and had a big belly. He had bandy legs. He was cruel and never kind.
