

**Record the Temperature in Swansea,
Dallas, Texas and Oslo, Norway from
Monday to Friday**

LO – To generate a graph representing the data from Swansea, Dallas and Oslo

Day	Temp in degrees centigrade Swansea	Temp in degrees centigrade Dallas, Texas	Temp. in Oslo, Norway
Dydd Llun			
Dydd Mawrth			
Dydd Mercher			
Dydd Iau			
Dydd Gwener			

- Plot the above data on a graph. Which one will you choose?
(Think about the fact that it is continuous data)
- Generate 5 questions on your graphs once completed on J2e.
- Self assess your graph – ‘Have you used the correct scale?’
‘Have you labelled and given a title to your graph?’
