

Pontarddulais Primary School – Fair Trade Focus – 8th – 12th March

Home Learning – Spring term 2021 - Wk 9 – 8th-12th March 2021

Try and complete your challenges on J2E (or upload) as it automatically notifies your teacher once you have completed the task.
Remember that if you complete your challenges on OFFICE365 you must share them with your teacher or they will not be able to see your work.
Or if you don't have internet access then you can complete the tasks on paper and the worksheets provided.
Let us know on 'Teams' how your work is progressing and when you've uploaded it.

Year Group: Year 6

AOLE	Challenge	
<p>Language Literacy and Communication</p> 	<p><u>One world, one vision!</u> Create your vision for the world you want! Your challenge this week is to write a speech that is to be delivered to the United Nations, for the world you want, the planet and everything in it. You have been chosen as the child representative from the UK. You will need to write a passionate speech that is to be delivered to the UN. Every World leader from Boris Johnson to Joe Biden will be present at the convention listening to your words. Make sure this is the best persuasive text you can write! These are some topics we would like you to include:</p> <ul style="list-style-type: none"> • Climate change • Poverty (link this to Fairtrade and charity) • Education fairness for all • Equality (Race/religion) • War – conflict • Hopes for the future – personal, local, global <p>Feel free to add anything else! How will you make these leaders listen to your message?! You will need to persuade them that things in our world need to be changed/focused on. Channel your inner</p>	<p><u>Reading Challenge – Fairtrade comprehension</u> Read the 'Fairtrade' comprehension texts and answer the questions. Choose a 3,2 or 1 star challenge.</p>
<p>Health and Wellbeing</p> 	<p><u>Health & Well-being</u> This is your opportunity to channel your inner 'Jamie Oliver'! We would like you to 'BAKE A DIFFERENCE'! Choose a Fairtrade ingredient (look at your research for your leaflet in the Humanities challenge) and 'Bake' something. Some ideas:</p> <ul style="list-style-type: none"> • Bake cookies using Fairtrade chocolate or sugar. • Make a cake using Fairtrade coffee/sugar/cocoa • Create Smoothies, using Fairtrade fruit <p>The possibilities are endless! We would like you to write the recipe and instructions to make your delicious delights and upload a photo of you enjoying them with a cup of tea (Fairtrade of course!) If you can decorate your finished product with the Fairtrade logo; brilliant!</p>	

AOLE

Expressive Arts

Your ART challenge this week is to design a new logo for the Fairtrade foundation. The one that they use is very clever – the green represents the land where the products are grown, the blue is the sea across which the products travel the globe and the man is waving in the centre. Your challenge is to create a logo that shows the message of 'Fair trade', that the Fairtrade foundation would be happy to display on their products. You will need to explain in a few sentences what each part of your logo represents. e.g If you've included a 'globe; this would show that Fair trade is a global initiative.

Challenge

Music Challenge! – WAGOLL!

Write a RAP all about Fair trade
Just make sure it's completely self-made.
A fair price for Farmers is what we want
Have we got any aspiring rappers here in BONT!?

Speak the message, tell the world,
Make sure that your voice is heard
By the end of your RAP, the world will know
Fair trade is the way, c'mon let's GO!

Your music challenge is to write and perform a RAP all about 'Fair trade'. Spread the message: A fair price for farmers. Upload your written RAP and a video of you performing it! The best ones will go on the school Twitter account!
GOOD LUCK!

Science and Technology

ICT

Create a presentation using Power point all about Fairtrade. Consider finding information on the following:

- When did Fairtrade start?
- Countries involved
- What is Fair trade?
- Which was the first supermarket to stock Fairtrade products?
- How has it helped? Who does it help?
- Logo – what does it represent?
- Which Fairtrade products are available?

Don't forget fascinating facts...

AOLE	Challenge
<p>Mathematics and Numeracy</p> 	<p>Your Maths challenge is linked to TIME. Access the Loom videos to practice 24hour clock and then we will be interpreting timetables and calculating the time for specific journeys.</p> <p>You will be undertaking differentiated activities – 3,2 and 1 star, looking at duration of activities and calculating starting and finishing times using knowledge and understanding of 24hour clock.</p>
<p>Humanities</p> 	<p>History Food Miles – From field to plate!</p> <p>Your Humanities challenge is to use a World map to locate the countries that the following ingredients originated from. For each country, you must find out key information:</p> <ul style="list-style-type: none"> • Capital • Currency • Flag • President/Prime Minister <p>Now, can you calculate the air miles for each product that travels from the country of origin to Wales? Can you then calculate the total air miles for your meal? Use Google and type in 'Distance to Wales from' and you will find the answer in Km's.</p> <p>Can you now convert these miles into Km's? (Remember, 1.6Km = 1 Mile)</p>

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.
