

Check out 'TEAMS' on Hwb to see a video message from the Year 6 teachers...

Go through Office 365, access 'TEAMS' and find your class.

Try and complete your challenges on J2E as it automatically notifies your teacher once you have completed the task. Remember that if you complete your challenges on OFFICE365 you must share them with your teacher or they will not be able to see your work.

Your 'Maths' answers will be put on the website every Friday.

Year Group: Year 6

Topic: 'Money, Money, Money!'

Date: 01.06.2020

AOLE	Challenge
Language Literacy and Communication	<p>Reading: Read regularly (a range of fiction and non-fiction books) and comment in your Reading diaries.</p> <p>This challenge links to your 'Expressive Arts' challenge. You will be designing a new £100 note. As part of this, you will need to choose an influential, important person from history.</p> <p>This should be a person you admire, who is of importance, who has contributed to society in a huge way; through Science, Literature, Politics, The Arts...etc.</p> <p>Write a paragraph as to why they should be chosen. Describe why they are so important. Persuade the 'Royal Mint' and the government that this person should be commemorated on the new £100 note. Use a range of persuasive language to highlight their invaluable contribution to society. Give lots of detail about them and describe why the person is so important. How did they make a difference in society? What is their legacy...?</p> <p>Write a paragraph with information about your chosen person. Who are they? What did they do to contribute to society? Why have you chosen them?</p> <p>Write 5 sentences explaining who you chose and when did they live? Why were they important?</p>
	
Health and Wellbeing	<p>Health and Wellbeing - NEEDS v's WANTS</p> <p>A NEED is something that is a basic requirement to live.</p> <p>A WANT is something that you would like but is not a requirement to live.</p> <p>Money is a 'Currency'. We use it to pay for things we 'NEED' and 'WANT' in life. Think about the things we need in order to live and what we want to enrich our lives; or ourselves feel better. Can the things we buy be both a WANT and a NEED?</p> <p>List 10 things that are 'needs' and 10 things that are 'wants'.</p> <p>Can you come up with 5 things that can be either a need or a want, depending on the situation...</p> <p>For example, a car in the city might be a want (but maybe not needed every day), yet in the countryside it might be a need (necessary to get to everyday places. What else can you think of? Justify your reasons.</p>

<p data-bbox="241 240 479 272">Expressive Arts</p> 	<div data-bbox="680 368 763 612">  </div> <div data-bbox="831 309 2047 740"> <p data-bbox="831 309 1442 341">Art challenge! - Design your own 'BANKNOTE'</p> <p data-bbox="831 352 2047 501">You will have researched bank notes from around the world in your 'Humanities' challenge and written about your 'Influential person' in LLC to include on your bank note. Your Art challenge is to come up with your own version of a new '£100' note that the 'Royal Mint' in Llantrisant is launching. There are lots of examples to help you on the Internet. Think about:</p> <ul data-bbox="882 549 1935 660" style="list-style-type: none"> • Showing social, historical and cultural elements on your note • Who will be the important people and places on your note? • Which inspirational quote will you include from the person you have chosen? <p data-bbox="831 703 1778 735">You will need to show the front and back of the new note in your design.</p> </div>
<p data-bbox="174 813 546 845">Science and Technology</p> 	<div data-bbox="680 916 763 1160">  </div> <div data-bbox="831 874 2047 1337"> <p data-bbox="831 874 1778 906">Science and Technology – ICT Spreadsheet challenge (linked to Maths)</p> <p data-bbox="1211 916 1688 956">Bont Budgeting Challenge</p> <p data-bbox="831 963 2047 1187">Spreadsheets are a valuable tool for storing data, particularly budgets. Create a spreadsheet to store your monthly outgoings given in you Maths Challenge. You can use a calculator to calculate the totals and find the differences or you can use the formulas function in J2Spreadsheets. Make sure you check your answers.</p> </div>
