I would love to see your work on our closed twitter page @BontNursery

Pontarddulais Primary School
Remote Learning- Week 5 Colours
Nursery Class

Colours

Colour of the day. On each day, why not ask your child to dress in the colour, eat food that colour and go on a scavenger hunt to find objects the colour of the day.
Monday-red/ coch
Tuesday- Yellow/Melyn
Wednesday- Green/ Gwyrdd
Thursday- Blue/ glas
Friday- Rainbow day

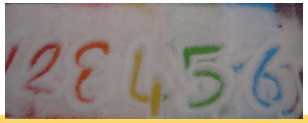

Activity 1- Rainbow salt board

In preparation for this activity, you and your child will need to paint stripes on a board/ piece of paper. Once dried, cover the board with salt/ sugar. Ask your child to write/ mark make, using their finger. They could write letters, numbers and their name.

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.

Activity 2- colour mixing addition

For this activity, you will need to paint your child's hands using two of the primary colours. Once each hand has been painted, ask them to make handprints. Next, rub their hands together to see the paint change colour and finally make a second lot of handprints to record their work in an addition sum.

Activity 3- Colour changing mill experiment

Watch the magic happen with this colour mixing milk experiment. You will need: milk, liquid soap, cotton buds and food colouring.
Step 1- pour milk into a bowl, add 5 drops of food colouring and soak cotton buds in liquid soap
Step 2- place the cotton bud in the milk and watch the colours move
Step 3- have fun and play, watch the colours change

Activity 4- making a stain glass window

To show your support to the NHS, can you make a rainbow stain glass window? We had great fun painting ours, but make sure the paint is water based. When your painting ask your child to name the colours in English and Welsh, you could also sing the welsh song 'enfys' https://www.youtube.com/watch?v=A-fs5JB_b7E
