Nursery Class

Superheroes

Activity 1- i-movie trailer

Can you make a superhero i-movie with your child? Jac and I had so much fun making this video, it is easy to do and looks really effective. I hope you enjoy ours. I will post a 'how to' video on the school website to show you how to add photos and text to your movie trailer.

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.

Activity 2- Make a NHS role-play top

Our NHS workers are being such great examples of superheroes. Elis had a great idea and made a Doctors top. Can you use an old white top and make your own Doctors role play top? You could wear it when you clap for the key workers or set up a hospital for your toys at home. Jac loved making his toys feel better, pretending to be a NHS superhero.

`Activity 2- Making a superhero cape

Design or make a superhero cape that the children can wear because they are stay at home superheroes too. I am so proud of all of you for looking after everyone, by staying at home! You're amazing!

Activity 4- Jamie's Brain Break

Allow your child time to watch and take part in Jamie's brain break on YouTube.
https://www.youtube.com/watch?v=lx08FrWBp0g
This small session will help develop your child's core strength which will help when they are ready to write.
