Remote Learning- Week 2 Captain Tom Celebrations

Nursery Class

Captain Tom

Captain Tom is a very special man, you may have seen him on the news. Before Captain Tom reached 100 he wanted to help raise money for all the special people working in our hospitals, keeping everyone safe. He decided to walk 100 laps of his garden and asked people to sponsor him. He has raised so much money Captain Tom has become a national treasure. On Thursday, he is going to be 100, let's make it a special birthday and help him celebrate.

Activity 2- Creative Development

Captain Tom is number one in the music charts, can you make a song for him?

Why not make home-made instruments to create a song for Captain Tom, here are some instruments you could make.

Activity 3- Creative, Language and Mathematical Development

Make a birthday cake to eat on Thursday to celebrate Captain Tom's birthday at home

Before you make a special birthday cake, ask your child to design what they want their cake to look like. You could ask them to add candles, pictures and lots of colours.

When you make your cake, it is important to read the instructions to your child, allow them to take part fully and help measure out the ingredients.

Once the cake is ready to eat, your child can charge you for a slice, use pennies up to 20p.

Activity 1- Language, Literacy and Communication

Making a birthday card for Captain Tom

I'm sure Captain Tom would love a special card from your child. You could help your child make and write the card, planning what it would look like and what special message you can write together inside. If you would like to send the card his address is below:

Captain Tom Moore,
C/O Post Office Limited,
67 Bedford Road,
Marston Moretaine,
MK43 0LA

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.

Activity 4- Personal and Social Development

Party games (you could dress up in 1920's outfits if you're feeling creative!)

Organise party games with your child, ask them to name their favourite games and help make them ready for the family to play. In my house, we are going to play pass the parcel, pop the balloon and pin the tail on the donkey.
