Mathematics and Numeracy

- Draw and colour a picture of the Snail and the whale. Divide the picture into 10/20 equal pieces and write a number from 0-10/0-20 on each piece. Carefully cut the pieces so that you have your own Snail and the Whale number jigsaws!
- Once you have cut the pieces see if you can put your jigsaw back together in the correct order.

- Pretend you are the snail from the story. With some chalk practise writing your numbers from 0 – 20.

- Match the correct amount of stones or shells to each object.
