Humanities

Our school right of the month for July is the right to relax and play. As we are coming out of lockdown, we thought it might be nice to plan some activities that you and your family members might enjoy over the summer holidays. You could put them in a jar and select a couple each week. It might be nice to include lots of things you might have been missing recently e.g. family picnic on the beach, visiting a family member further away, family board game night, movie night etc.

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.

Remember – How you complete your challenges is your choice. If you would like to show us your work via Hwb we would love to see it. We are missing you all and can't wait to see you when we return to school.

Stay Safe, love from Mr Wilson and Mrs Foley 😊
