

Pontarddulais Primary School

Home Learning

Use a workbook or your Hwb account and associated programs to complete your work.
If you use Office 365, remember to share your work with your teacher.
When using Just2Easy [J2e] remember to save your work for your teacher to see in your 'My File Area'.

Mr Wilson and Mrs Foley have uploaded a special video message for their class this week. It is on Teams, where we can all chat and make sure that everyone is ok by keeping in contact. Once you've logged into Hwb, click on Office 365 then the Teams App. You will then see our class, where we can keep in contact and you can watch our videos ☺

Year Group: Year 1 **Date: 6th July 2020**

AOLE	Challenge
Language Literacy and Communication	Read the Minibeast comprehension and answer the three questions about what you have read. You will find the comprehension and questions on the website.
	

Minibeasts

Minibeasts are small animals that are found in places like gardens, rivers and houses. There are lots of different kinds of minibeast such as spiders, beetles and butterflies. Some minibeasts have lots of legs; some have wings.

In the Garden

There are lots of minibeasts to be found in people's gardens. You might see bees buzzing around the flowers. Bees have yellow and black stripes to show other animals that they can sting.

You could also see butterflies gently flying with their big, colourful wings. You cannot find a baby butterfly because when they are younger, they are caterpillars. The caterpillars eat lots of food, and then build a special cover called a 'chrysalis', which they stay in until they change into butterflies. Butterflies can come in lots of different colours and sizes.

As well as creatures that fly, there are some minibeasts that slide along the ground and up walls. Snails and slugs both have soft bodies and live on the ground. Snails have a hard shell on their backs to keep them safe. Slugs do not have shells. They hide under leaves to keep safe. Slugs are seen as pests as they eat all the plants in people's gardens.

In Ponds and Rivers

Minibeasts don't just live on land but in and around water as well. One insect that lives near the water is the dragonfly. Dragonflies have four wings and long bodies. Some of their bodies can be blue and some are red. They fly very close to the water. They have very big eyes and can see things a long way away.

In Your Home

There are minibeasts that live in people's homes as well. Spiders are often found inside houses and flats. They find small cracks and crawl inside to make webs and lay eggs. In the UK, spiders are not dangerous to people but people are often afraid of them.

Read the Minibeast comprehension and answer the six questions about what you have read. You will find the comprehension and questions on the website.

***** Ongoing Phonics and High frequency words ~ We have also uploaded our daily key words and phonics slides for you to practise – You could practise a word and a sound a day. Can you write 5 words that include your sound of the day. Can you write 5 sentences with your word of the day? *****

Health and Wellbeing	What have been your favourite memories of your time in Year 1?

Even though it's been a short year, we've had some fun! Have a think and write a couple of sentences about your reflections of your time in Year 1, maybe you can do some pictures too!

To give you a reminder, here are some of the things we've done:

- Visits around Pontarddulais - Visit to Tesco's, Pontarddulais Library and Bont Elim Church
- The Snowman 'Into Film Fortnight'
- Christmas Nativity, party and trip to see Frozen 2
- Parti Doli Glwt
- Visit to St Fagan's

Pause for thought – Special Jobs https://www.assemblies.org.uk/pri/3558/pause-for-thought-special-jobs. Follow the assembly and complete the special jobs around the house challenge.

**Watch the video on TEAMS from your teachers **
Don't forget the daily check in form

AOLE	Challenge
Expressive Arts	

Can you make your own shadow puppet theatre. You could create a Minibeast shadow puppet show or recreate characters from a story you enjoy.

Send us pictures of what you've made and record the story you decide to tell!

Science and Technology

Read the story 'My Day as a Minibeast' that we have shared with you on the website.

Can you recreate this story on J2Animate?

Think about the setting of the story and which characters you need.

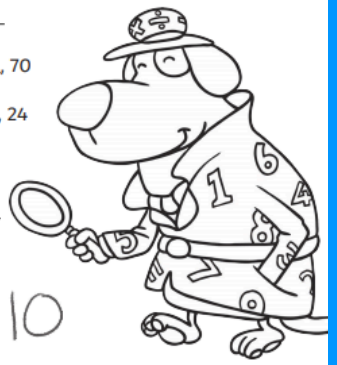

How can you show that the character is getting smaller at the start and bigger at the end? Think about how you can make the stamps bigger/smaller between each slide.

AOLE	Challenge
Mathematics and Numeracy 	 Can you complete the following number patterns, by writing the five numbers that come next: • 4, 5 ,6... • 2, 4, 6 ... • 5, 10, 15 ... • 10, 20, 30 ... • 11, 12, 13 ... • 10, 9, 8 ...  Can you solve Detective Dog's Number Pattern challenge

Challenge

Work out the missing numbers in these patterns.

1. 19, 18, _____, 16, 15, _____, _____
2. 2, 4, _____, _____, 10, 12, _____
3. 10, _____, 30, _____, 50, _____, 70
4. _____, 29, 28, _____, 26, _____, 24
5. 88, 89, _____, _____, _____, 93
6. 15, _____, 25, 30, _____, _____

12345678910

You could also try to find out:

- how many even numbers there are between 0 and 20;
- how many fives would add together to make 30;
- how many different ways you can make 20.

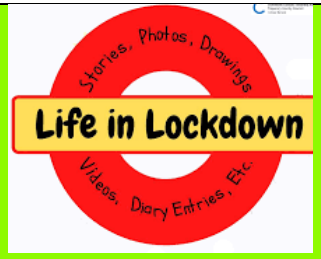

Humanities

To appreciate our time in Lockdown, which is an experience that is unique and has never happened before, we would like you to create your own 'Lockdown Timeline'.

Can you create a timeline, using pictures, photographs, physical objects and anything else you think is appropriate, to show us how your time in lockdown has progressed. This will start from leaving us on 20th March, to ending your time with us in Year 1, whether you came to see us last week, or are keeping in touch via Teams/Hwb.

You can show us what you've done by sending in pictures, videos or you could even create an animated timeline using J2Animate.

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.

Remember – How you complete your challenges is your choice. If you would like to show us your work via Hwb we would love to see it. We are missing you all and can't wait to see you when we return to school.

Stay Safe, love from Mr Wilson and Mrs Foley 😊
