

Pontarddulais Primary School

Home Learning

Use a workbook or your Hwb account and associated programs to complete your work.
If you use Office 365, remember to share your work with your teacher.
When using Just2Easy [J2e] remember to save your work for your teacher to see in your 'My File Area'.

Year Group: Year 1 **Date: 18th – 22nd May**

AOLE	Challenge
Language Literacy and Communication	Our new topic is called 'Wriggle and Crawl', where we will be learning all about different creatures and their habitats! Watch this video to get you started: https://web.extension.illinois.edu/insects/01.html  Choose an insect and research some facts about it. Can you write down five interesting facts about your insect and draw a picture of it?  Choose an insect and research some facts about it. Can you create a fact file all about your insect? Here's an example of what you can include and how to layout your work.
	

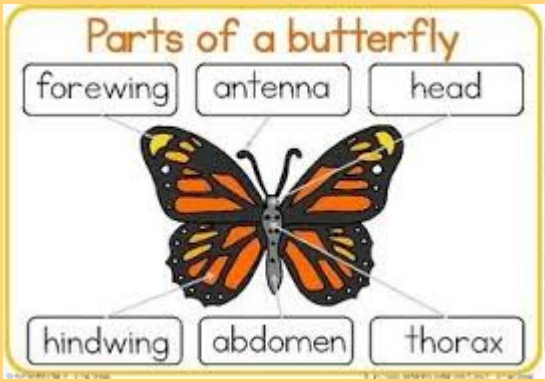

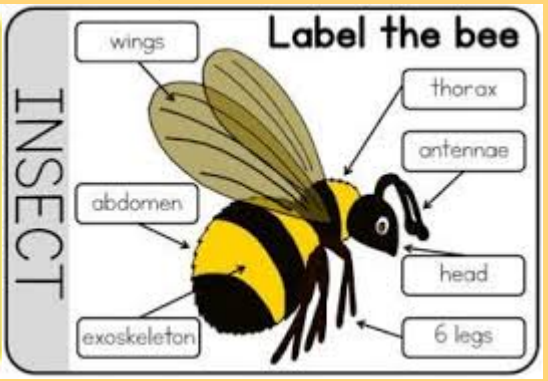

***** Ongoing Phonics and High frequency words ~ We have also uploaded our daily key words and phonics slides for you to practise – You could practise a word and a sound a day. Can you write 5 words that include your sound of the day. Can you write 5 sentences with your word of the day? *****

Health and Wellbeing

Can you think of different minibeasts and how they move around? Can you pretend to move like a different minibeast? You could choose a minibeast and get a family member to guess what you are trying to be.

You could march like an ant, wriggle like a worm, buzz like a bee etc

AOLE	Challenge
Expressive Arts 	We would like you to design your own mini beast. You can do it anyway you want, it can be 2D or 3D, so think about the materials you could use. Here are some ideas: • A paper plate ladybird with googly eyes and wings • A kitchen roll butterfly/worm • A shoebox spider web   
Science and Technology 	Can you find/draw a large picture of a minibeast. We want you to learn the main parts of an insect's body and label them on the picture. Make sure to include all the scientific vocabulary.  

AOLE	Challenge
Mathematics and Numeracy 	We want you to go on a minibeast hunt in your garden or local green area. Look under leaves or stones, under logs or on trees. Can you record the different minibeasts that you find? Can you record the different minibeast you find in a tally chart (Don't forget to make a gate for 5)? Count the total and create a Pictogram of your results in Jit using the Pictogram tab. Can you record the different minibeast you find in a tally chart (Don't forget to make a gate for 5)? Count the total and create a bar chart of your results in Jit using the Chart tab. Look at your results and talk about them using the words 'most popular, least popular, how much more/ how much less than' etc
Humanities 	Can you research animals and insects from around the world? Make lists of animals and insects that are native to different countries. For example: • India-Elephant • Kangaroo-Australia • Panda-China

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.

Remember – How you complete your challenges is your choice. If you would like to show us your work via Hwb we would love to see it. We are missing you all and can't wait to see you when we return to school.

Stay Safe, love from Mr Wilson and Mrs Foley 😊
