Watch the video and read the instructions in Files about how to create a Stethoscope

Make a Stethoscope and upload a picture of your creations

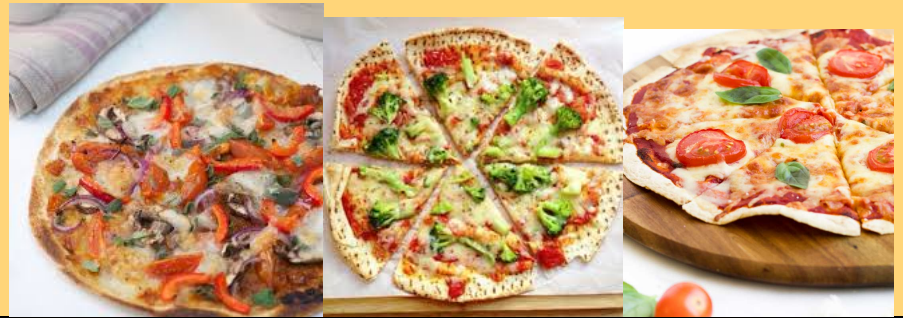

Can you find all the bossy words in the instructions?

Dydd Santes Dwynwen is the 25th January. – make a paper hug to show someone how much you love them.

Join in singing the Mr Hapus song with Mrs Powell – find the video in the files section on Teams.

Science and Technology	
	**Healthy Eating** - Make a healthy wrap/pitta pizza for a Doctor to enjoy. Try and use some of the bossy words we learned last week. Write a list of the ingredients and equipment you have used. Remember your bossy words – Can you use them in your talk to give instructions on how you have made your pizza? Can you write sentences to explain to someone else how to make your pizza? Remember the time connectives (First, then, next after that, finally) we used last week. 

AOLE	Challenge
Mathematics and Numeracy	

To complete this work you will need to look at the Maths Challenge Powerpoint you will find that in Teams File folder.

Instructions:

- Can you count how many different medical objects there are in the pictures provided within the week 4 resources section on our Teams page and use tally marks to help keep track of your counting. They are named 1 star maths challenge and 2 star maths challenge.
- Remember when we get to 5 on a tally chart it looks like this: 
- Here is an example of a tally chart:

ANIMAL	TALLY	TOTAL
CAT	𝍸 |	6
DOG	𝍸 𝍸 |	10
RABBIT	𝍸 |||	8

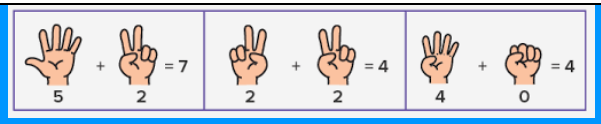

Can you fill in a pictogram with these answers? You can find a pictogram template on J2e by going in to Shared Files and opening our class folder.

Can you answer these questions:

- Which item has the most pictures?
- Which item has the least pictures?
- How many hearts are there?
- How many stethoscopes are there?
- How many more plasters are there than ambulances?
- How many more plasters are there than hearts?

Can you create a bar chart of your results? You can find a bar chart template on J2e by going in to Shared Files and opening our class folder.

<u>Simple Addition</u>

Can you add two more to each of these numbers and use a number sentence to show your sum.
1,2,3,4,5,6,7,8,9,10. 1 + 2 =3 etc
Use plain paper to write your number sentences/sums onto.

**Don't forget there are maths games on Bug club to help you practise the skills that we are developing.
Have Fun!**

Humanities

Listen to the story "Busy People – Doctors" located in the Files section of our Teams page. Discuss with a family member the different things that Doctor Miranda uses.

Draw a picture of something that a Doctor would use to help people. Think about which jobs need which pieces of equipment (for example, a stethoscope is used to hear the heart).

Practise being a Doctor/Nurse to a toy you have at home, maybe a teddy or a doll. You could give them a plaster or bandage, check their eyes and ears or listen to their chest with a stethoscope. Take a picture and share it with us via Hwb or Teams.

Article 28: You have the right to a good quality education and your education should help you use and develop your talents and abilities.

Remember – How you complete your challenges is your choice. If you would like to show us your work via Hwb we would love to see it. We are missing you all and can't wait to see you when we return to school.

Stay Safe, love from Mrs Foley, Mrs Powell and Mr Wilson 😊
